Council Votes 12-3 to Appeal At-Large Ruling

Hearing Set Tomorrow
On Motion to Vacate;
More Complications

With no clear lead open to provide all answers for the April 4 city election, Granite City council members took further steps Monday night and voted to appeal Judge Streep's at-large vote ruling of Feb. 9 to the Appellate Court.

Even with a quick answer from the Appellate Court, a big question remains unanswered, and further court action may be necessary to determine what will happen to the 12 aldermen candidate petitions filed on the at-large basis if the at-large vote is thrown out—especially since the filing period ended Feb. 13. The only person of city officials with a smile on his face at Monday night's council session was Street Supt. Wardfield. His office always is vocal in opposition and this time he has no opposition.

Most council members expressed opinions that the at-large election of seven aldermen would be thrown out by the Appellate Court or even at tomorrow's 10 a.m. hearing in the circuit court at Edwardsville. A motion was filed last week to vacate the order.

Hopes in Conflict
Some are hopeful the election will be then carried out on an at-large basis with the new ward boundaries that were approved last Jan. 23. Others hope for a return to the old eight wards.

If the at-large election ruling is vacated, and candidates' filings revert to the original petitions by wards, several aldermen may run without opposition.

City Clerk Homer "Cal" Pendleton said today he does not know the exact number of aldermen who will be unopposed. "Moerlen did pick up his petitions for the First Ward and then refilled as 'First Ward' at large, but I don't know who to handle that at the hearing," he said.

Petition Review Planned
Pendleton said he does not plan to review the petitions until after tomorrow's hearing, and that he has them in good safekeeping. Several other candidates filed "at-large by ward" petitions, the clerk added.

The possibilities for aldermen candidates without opposition are—First Ward, B. J. Mih, 2132 Iowa street, Second Ward, Ed Whitmer, incumbent, 221 State street, Third Ward, Clyde Boyd, incumbent, 2231 Benton street, Fifth Ward, George Smith, 2711 Cayuga street and Sixth Ward, Gerald Parmley, incumbent, 3221 Willow avenue.

Fourth Ward—Claude Green, 2454 Illinois avenue, incumbent, and A. William Harrington, 728 Twenty-seventh place, Ward Five—Dale Seck, 2452 State street; R. Grad Krause, 3115 Colgate avenue, and Ward Six—James E. Smith, 2877 State street; Eighth Ward—Emerald Dawes, 17 Terrace lane, and Edward Schmidt, 2533 Lynch avenue.

Incumbents Missing
G. H. Sternberg, incumbent Seventh Ward alderman, did not file for re-election in either the ward filings or in the at-large filings. Incumbent Alderman Earl Thompson of the Eighth Ward did not file earlier in the ward filings, but did file petitions in the later at-large filing period.

A 40-minute debate opened Monday night's meeting as council members decided to set aside the agenda and take up incidents.

Summer Classes Set for Madison; Venice is Invited

The Madison school district will operate its summer school for elementary and high school students for the second season, with dates set tentatively for June 7 to July 19. It was decided at a meeting of the board of education Tuesday night.

Classes will be held for failures, underachievers, students in need of extra help and those having scheduling difficulties. Supt. Raymond Dragich said. Last year, 625 boys and girls were enrolled.

This year, the program will be open to Venice students in similar situations. The school district will be reimbursed with federal and state funds.

The board authorized the superintendent to secure bids and cost estimates on textbooks, supplies, library books, visual aids and equipment for the 1967-68 school year and to make purchases on the basis of quality and price.

Miss Hazner III
A leave of absence was granted for Miss Dorothy Hazner, commercial teacher at Madison high school, for the balance of the school year because of illness.

Mrs. Mary Meek, who has served as a substitute for her since last November, was placed on the regular salary schedule as of Feb. 1.

Clerical aides employed under a new federal program are Mrs. Bernita Logan at Madison high school as of Jan. 26 and Miss Lora Smith at Blair school as of Jan. 30.

The superintendent was authorized to add a fifth grade teacher at Dunbar school for the next school year to provide for four classes in that grade. There are three this year.

Supt. Dragich reported that construction on additions at the high school and at Dunbar has been completed but they have yet to be officially accepted. A proposed open house at Madison high school on a Sunday afternoon in the fall was discussed.

New Science Lab
The superintendent said the new science lab at the high school is installed but has yet to be completed.

The board was told that a leak developed in the paper and tar

State's Attorney Says Gaming Laws 'To Be Enforced'

State's Atty. Leon Scroggins told Madison county law enforcement officials today that he is "disturbed by the innuendo" that Madison county is going to be once again an open county.

"This is certainly not my intention," the state's attorney informed all police chiefs and the office of Sheriff George Musso.

In letters mailed to all law enforcement officials at the Madison county office, Scroggins said that while he has received no formal complaints, recent accounts "and rumors" tend to indicate that "large-scale bingo operations are contemplated."

Scroggins' Statement
Scroggins said: "In regard to bingo and other forms of gambling: 'I want to emphasize that no formal complaint, either orally or in writing, has been made to the state's attorneys office.'

"Although I do not think it necessary to state that any law will be enforced by the state's attorney's office, I want to make it clear that upon a formal complaint to this office by any law enforcement personnel or by private citizens, accompanied with sufficient evidence that gambling operations of any form or description are being conducted within the jurisdiction of the state's attorney of Madison county, this office will immediately file a complaint with the court and prosecute the action as expeditiously as possible under the law."

"I am aware of the arguments of various charitable groups that bingo is a form of entertainment for elderly people in the community. I have no desire to restrict the entertainment facilities available to those parties. However, it is not a function of this office to make or enact laws. I express no opinion concerning contemplated legislative action."

Law To Be Enforced
"Again I want to emphasize that the state's attorney exists and it is a violation of the law to conduct bingo with cash or other prizes involved, that law will be enforced in Madison county."

"If there are specific questions concerning a given facility, I assure you, I am sure you will find the cooperation of this office and all of its assistants."

My position leaves little room for interpretation in a given fact situation. However, I have tried to express in length and as affirmatively as possible as far as this office is concerned, bingo is not an item to be tolerated under the existing law."

So far as this office is concerned, bingo is not an item to be tolerated under the existing law."

New Date for Meeting
The Eagle Park Improvement Association election scheduled for Saturday has been postponed to 8 p.m. Saturday, March 4, due to a death in the family of an officer.

Hugh R. Hairston
Hugh R. Hairston, 901 Main street, Venice, a leader in the Economic Opportunity Commission and the National Association for the Advancement of Colored People, will be honored from 2 to 4 p.m. Sunday, March 5, at the NAACP as a retiree.

Arranging the initial meeting of the Madison county board of directors is committee secretary, Venice School Supt. John O. Pier; Assistant School Supt. Robert N. Vickers; Walter Davidson, Venice; Paul W. Marion, Grohshong; A. F. Pace, hardware store operator; Mrs. William Baucum, operator of a cleaning firm; Mrs. Faye Smith, an EOC field worker; Joseph Dumas, a former precinct committeeman; and Mrs. Thomas West, president of the Madison NAACP branch.

State Drive Chairman
Hairston has been state chairman of the Fighting Fund for Freedom, a fund-raising program of the Illinois Conference of NAACP Branches, for the past six years. Many public officials in this area hold memberships in the NAACP as a result of his efforts.

School Board Filing Opens in 3 Districts

**Incumbents Prevalent
In Initial Rush in All
Three Local Districts**

All incumbent school board members whose terms expire this year in Granite City, Madison and Venice school districts filed nominating petitions as candidates for reelection. The school election filing period opened yesterday morning.

The school elections in the Quad-City area and the rest of Madison county will be held on Saturday April 8. Voters will elect three members to the Granite City board, three members to the Madison board, and two members to the board of Venice.

The filing period will remain open until noon on Saturday, March 15. Petitions may be filed in the office of the school superintendents in all three Quad-City districts.

Candidates Filing
In Granite City, petitions were filed yesterday by Morris Miles, 118 Kinder lane; William L. Harris, 3136 Princeton drive, and Dr. W. Walton, 27 Janday Lane. Dr. Walton and Harris are incumbents. Harris has been serving an unexpired term which still has a year to go and the term must be filled by election.

Harris designated in his petitions that his candidacy was for the remaining one year of the unexpired term. Candidates in the Granite City race will be required to so specify if they file for the one-year term.

Carl Macios, 78 Cambridge drive, third Granite City board member, filed his petitions this morning.

The three incumbent members of the Madison school board whose terms end this year were the only candidates to file in the board office yesterday. They include John Belkoff, 1017 Grand avenue, board president; Harold

**Quad-Cityans
Drafted Tuesday;
Month's 2nd Quota**

Seven Quad-City youths reported for the draft Tuesday morning along with three from Madison and four from Edwardsville.

The draft quotas were the second of the month for each community. The Quad-Cities next call is for two men to be drafted on March 17. Earlier this month on Feb. 16, three Quad-Cityans were drafted.

Loren Davis New Chairman Of Salvation Army Board

Loren H. Davis of Aro Dressel Foods Corp. was named chairman of the Salvation Army Advisory Board at the annual dinner meeting Tuesday evening. Presentation of appreciation awards to local organizations also marked the occasion.

**S. Nameoki Road
Paper Work is
Going on Schedule**

Council members expressed hope Monday night that the city's paper work is nearing completion for the \$700,000 widening and improvement project for South Nameoki road to be started this spring or early summer.

Reports to the council showed the need for letters to go out advising property owners to remove encroachments from the right-of-way. A. D. instructions were given Assistant City Atty. Norman Kinder Jr. to send the notices immediately.

The encroachment bog-down caused one of the delays in the start of the Nameoki road improvement project. Council members are determined not to let that occur again.

A total of 41 encroachments are reported along the right-of-way extending from Madison avenue south to Edwardsville road.

Also on the program were Claudia Roland and Cathy Patton, who presented a cornet, David Wallace, Audrey and Oliver. Peggy Allen, Annette Griffin and Faith, Beverly, Theresa and Dennis Rutter under the leadership of Miss Ruth Stover.

Monday night's reports showed all 120 appraisals to be completed as well as the city's legal work toward 10 to 20 condemnations. About 26 of the tracts have title problems, but work is being done to clear those.

Robert Kronst, district highway engineer at French Village, said today the city has 30 to 60 days to complete the detail work and that if work is continued at its present pace, there should be no difficulties in getting the improvement on the contract letting list this year.

"As soon as all this preliminary work is done, I'll send the plans to Springfield for approval," the engineer said.

**Auto Hits Fire Hydrant,
Street is Flooded**

As Larry Dellamano, Collinsville, lost control of his auto, it struck and broke a fire hydrant at 1517 St. Clair avenue at 12:10 p.m. Wednesday. It caused a geyser of water which flooded the street.

The auto was towed away, and Dellamano was charged with careless driving.

Deadline Next Monday for 3 Cities

Filing period for the April 18 election of Madison, Venice and Pontoon Beach aldermen ends Monday, with a full ticket filed thus far only in the city of Madison. Petitions for candidacy in these elections are filed with city clerks.

The first opposition in the Madison election developed with the filing of nominating petitions by George S. Burdell, 526 Alton avenue, as candidate for alderman in the Third Ward.

He will oppose Stanley Krakowiak, 332 Greenwood street, who is running on a five-man slate backed by the city organization.

**Strike in Ohio
To Force Layoffs
At Smith Plant**

A. O. Smith Corp. will reduce its work force by approximately 900 production workers effective Monday, because of a parts shortage created by a week-long strike at Mansfield, Ohio.

Although the Ohio strike was settled last night, a plant spokesman explained the layoff still is necessary to allow auto manufacturers time to make up parts shortages before assembly lines begin moving again.

The strike began a week ago at the John F. Boly Division Plant in Mansfield, Ohio, where 2650 United Auto Workers joined in what was described as an "illegal strike." It ended last night after UAW President Walter Reuther and the international executive board threatened to take over the Mansfield local.

One-Week Layoff
Officials at the A. O. Smith plant told the Press-Record the layoff will be for one week. The plant manufactures auto frames for the Chevrolet plant at St. Louis where 1200 assembly line workers were laid off Tuesday.

A layoff of 240,000 General Motors workers was threatened by the strike.

The plant spokesman said the remaining 475 persons kept on A. O. Smith's payroll will represent office workers, maintenance men and a few production workers who will continue on two of the plant's minor production jobs.

The shutdown, he said, is due entirely to the strike and to the resulting shortage of parts which has caused other plants to cease operations.

The plant now has 1375 workers on the payroll. At peak force, A. O. Smith employs approximately 1900 persons, but a 25% cutback in personnel was made last October.

Negotiating Grievances
The announcement came as plant officials are negotiating almost daily with representatives of the Boilermakers Union, Local 575, representing approximately 1200 A. O. Smith workers, concerning an alleged series of grievances, which union officials say they have been unable to settle.

The union, according to Melvin Hill, secretary-treasurer of the union, approved a strike vote in a meeting Feb. 2. Date of the strike was left open.

Hill and other union officials declined to discuss the nature of the grievances. Asked if any of the grievances had been worked out by negotiating, Hill replied: "Not this time we haven't."

Hill said union and plant officials have been meeting for about three months.

Plant officials declined to discuss the strike vote or negotiations other than to say: "We have a contract that runs until Dec. 31, and we expect to keep working."

Pontoon Meeting Presided
Thomas Staicoff, president of Pontoon Beach village board of trustees, announced cancellation of the village regular board meeting after learning earlier today that a quorum would not be available due to illness of three board members.

Candidates expected to be filed during the weekend.
Venice will elect four aldermen to four-year terms and one alderman to fill a two-year vacancy in the Fourth Ward. Terms expiring this year are those of James Miller, Third Ward; George Mangiaracino, Second Ward; Arthur Means, Third Ward; and Oscar King, Fourth Ward.

Pontoon Beach will elect a mayor, village clerk and three trustees. Terms expiring are those of Mayor Thomas Staicoff, Clerk Edison J. Phelps, and Trustees Lawrence T. Ennor, Tony Jackson and Robert A. Springer.

**GC Man Cuts Self In
Store Burglary; Six
Old Crimes Cleared**

An injured burglar was captured and police arrested two youths in connection with a series of crimes this week as 22 burglary and theft cases were reported to Quad-City and Madison county authorities. Nine were auto thefts, including four cars which were recovered. Two grocery stores, a tavern and a real estate agency were among the victims.

Police caught a Granite City man immediately after a burglary at Michel's grocery, 22nd street and Edison avenue, at 1:40 a.m. Tuesday.

Charged with burglary is Leo Joseph Engelges, 33, of 1264 Cleveland Blvd., who was found by two patrolmen on a sidewalk in the 2200 block of Edison avenue.

He was bleeding from the left arm, apparently cut during the break-in, and was admitted to St. Elizabeth Hospital. Surgery was required to repair a cut tendon. The front door glass was broken, and puddles of blood were found in the store and along the sidewalk.

Engelges apparently was shopping for himself, police said. Taken from the shelves were two cans of salmon, two loaves of bread, a pound of coffee, a carton of cigarettes, two pork sausages, a pound of chili, a pound of cottage cheese, a box of detergent, three cube steaks and two sticks of butter.

He told police Wednesday that he had been drinking, had no food in his apartment and had no funds. He said he had sent money to his pregnant wife who was in a Chicago hospital for removal of a lung.

Police said the charge probably would be reduced to disorderly conduct after Engelges is released from the hospital. Police Chief Ronald Smith said a passerby who noted the break-in and reported it immediately.

Police Clear Thieves
Six cases of burglary and auto theft were cleared by Granite City police this week with the arrest of two Granite City boys, 20 and 16, after one of them returned from California.

He implicated a second one, who was arrested in Arkansas, 20, representing approximately 1200 A. O. Smith workers, concerning an alleged series of grievances, which union officials say they have been unable to settle.

One of the cases was a break-in at the Ed Ray Foods warehouse where a parked delivery truck, loaded with merchandise, had been broken into. It was found the next morning.

The other burglaries were at Hume's Pontiac, where keys for all of the used cars were taken on Oct. 15, and the other at Farmington Motors on Oct. 4. The pair also admitted taking two autos on Oct. 4 and Sept. 2.

One of the boys, who had been an inmate previously at the Illinois Youth Commission, was returned to the custody of the Illinois Youth Commission. The other found a job and is working. Police said.

Amusement machines were piled open and cash, whisky, beer and meat were stolen in a burglary at the Lakeside Inn, Highway 111, after 11:15 p.m. Monday. It was reported to the police by the sheriff's office Tuesday morning.

An undetermined amount of money was taken from the pool table, bowling, pinball and cigar machines and from the juke box.

**Senate Approves
'Drunk Driving'
Blood Test Bill**

One of two legislative bills intended to clear Illinois highways of drunken drivers was passed 38 to 15 by the Senate Tuesday and sent to the House.

Under terms of the law, persons driving motor vehicles in Illinois would be required to consent to tests of their breath, blood to determine alcoholic content. Refusal to submit to such tests would result in six months suspension of a driver's license.

The Senate on Monday passed a companion bill providing a motorist is presumed to be driving under the influence of alcohol if a blood test shows 10% or more by weight of alcohol in the blood. The bill ran into vigorous protests by both Democrats and Republicans who challenged constitutional aspects of the requirement that the driver must take the test at the demand of an arresting officer or face suspension of license.

A bill that would prohibit strikes against public agencies, but setting up bargaining machinery for public employees was introduced in the Illinois Senate Tuesday by Sen. Arthur Gottschalk (R) Fleetsmoor. The bill would cover such problems as teachers' strikes or walkouts by city or county employees. It also would ban picketing or an organized effort to halt work of a public agency.

The law provides that governmental agencies could file injunction proceedings or, in the event none was filed within 30 hours after a walkout occurs, any citizen living in the political subdivision could file the suit.

A resolution authorizing an investigation of the State-Department of Public Safety was approved by the Senate Monday. Five senators made up of three Republicans and two Democrats will make the investigation under the resolution sponsored by Sen. Egbert Green (R) Pekin and 35 Republican colleagues.

Specifically the committee will look into reports of low state trooper morale and alleged lack of public confidence in law enforcement because of a wartime policy used by state police before they make vice or gambling raids in local jurisdictions.

Green said the committee expects to prepare a report for the crime commission by May 1.

**Inquiries Find Falls
Cause 2 Area Deaths**

Verdicts of accidental death resulting from complications of fractured right hips sustained in falls were returned following inquests into the recent deaths of two senior citizens, Deputy Coroner Alvin Cease at Pieper Funeral Home said this week.

The verdicts involved David Watkins sr., 91, of 501 Kirkpatrick Homes, who died Feb. 11 at the Blue Fountain Manor Nursing Home, Godfrey, and Mrs. Anna Miller, 77, of 2035 Park avenue, who died Thursday at St. Elizabeth Hospital.

Mr. Watkins had fallen at home Nov. 15 and was a patient at St. Elizabeth Hospital before entering the nursing home. Mrs. Miller, who was found by neighbors lying on the floor of her home Jan. 30 had undergone hip surgery after being admitted to the hospital.

**Speaker Bureau to
Promote Jr. College**

Formation of a speakers bureau to provide the public with details of the proposed establishment of the Lewis and Clark Junior College district was announced yesterday by Donald Dillow, assistant superintendent of the Edwardsville junior high school.

Speakers will include members of the Steering Committee of the Lewis and Clark Educational Foundation and other interested citizens who have aided in promotion of the district, which includes the major portions of Calhoun and Jersey counties, the lower half of Macoupin county, all of Madison county and small portions of Bond, Montgomery, Greene and St. Clair counties.

A referendum has been called by the Illinois Junior College Board and the election has been set April 1.

One of the meetings set up under the speakers' bureau plan will be held in Alton March 7. J. B. Johnson, superintendent of the Alton school district, will chair the junior college plan and what it will mean to the area. Meetings already have been held in Roxana, Alton and Granite City.

"It is the feeling of the Steering committee that the complete story of the proposed district, with opportunity to ask questions should be presented to as many people as possible," Dillow said. "We believe that when the facts have been presented and the need for this educational facility explained, the residents of the 1700 square mile area will react very favorably to the plan."

**Open Forum on Draft
Set in Edwardsville**

An open forum discussion on "The Draft" should it be postponed will be held Sunday from 3 to 5 p.m. in the First Federal Savings & Loan Association building at Edwardsville under sponsorship of the Edwardsville Open Forum Planning Committee.

Showing of a movie film dealing with non-military service possibilities in the current draft law will be shown prior to the discussion. Prof. George Mace of Southern Illinois University-Southern Campus will serve as moderator. Mrs. Ada Daniels of the Edwardsville draft board will outline the current law and how the Madison county draft board operates.

The Open Forum Planning Committee is a nonpartisan, non-profit citizens group organized in January 1965 to provide opportunity for discussion of major issues of international, national, and local level topics.

GC Kiwanis Meeting Features Spelunking

In observance of the 57th anniversary of the founding of the Boy Scouts of America, members of the Granite City Kiwanis Club, together with interclub guests from Wood River, head an expedition on cave exploring at Monday evening's meeting.

Details on the art of spelunking, one of the newer sports being pursued by local Explorer Scout posts, were related by Henry Helfrich, Granite City Steel Co. chief engineer and advisor for Explorer Post 94, sponsored by steel firm's Management Club.

The scouter was accompanied by his two sons, Lennie and James Helfrich, both Explorers, who displayed the type of clothing and equipment. Most troop outings are made in Missouri, which boasts approximately 2000 caves, Helfrich said.

Describing various aspects of the sport, the advisor commented, "Every turn in a cave brings new adventure, both interesting and educational. If the basic rules of safety are observed, which we carefully stress while training the boys, I know of no safer hobby," he added.

Helfrich said that many caves have lost much of their natural beauty due to vandalism. He emphasized that a true spelunker takes nothing from a cave but photographs and leaves nothing but footprints. Various specimens found near cave entrances were exhibited, together with pictures taken during trips made by the local scouts.

Eighteen were present for Monday's dinner meeting at the Rose Bowl restaurant. Guests included Harlan Nash, Wood River Kiwanis president, and Keith Ballard, Ralph Hill and George Nauyok, members of the same club. Michael Toudas, local Kiwanis vice-president, conducted a brief business session, with Robert Lombardi, program chairman, introducing the guest speaker.

"Brotherhood Week" will be observed by the local men's group at their meeting Monday evening.

Triangle Tract Purchase To Solve Alley Problem

A solution for the problem alley at the rear of the city hall building is expected to be solved in the near future, it was reported to the Granite City council Monday night by Alderman Sternberg, chairman of the Street and Alley committee.

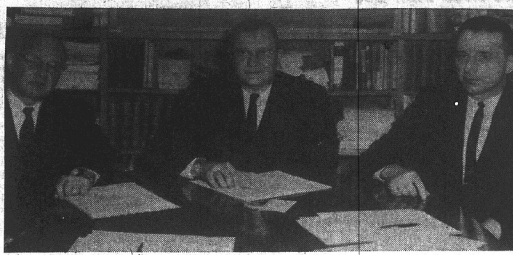

The three-way alley long has created hazards in the movement of city vehicles and delivery trucks at the rear of the Elks Club and the city hall. Recommended is the purchase of a triangle-shaped tract at the rear of two lots on the Edison avenue side of the alley to widen the intersection.

Authorization was given for an appraisal of the property to be made.

Driveways; Flashers
Adopted by the council was a resolution to permit the state highway department to improve driveways along the highway at the city animal shelter on Route 3, and accepted by the city was notification by the Illinois Commerce Commission of its approval of flasher warning lights for the new Terminal Railroad Association spur track across Edwardsville road, south of 20th street.

The Department of the Army advised the city that its cost of replacing fence at the city pump station on the Army Depot grounds will be 65% of the estimated cost of \$600 - \$400. Further study is being given a share-the-cost sewer line installation in the 3300 block of Westchester drive. The household connection became clogged, and in replacing an improper installation, it was discovered the trunk line does not extend the full length of the easement.

Cost to City
Sternberg said the connecting evening, with Rabbi William Gordon of Hillel Foundation in St. Louis, presenting the program.

MANUFACTURERS ASSOCIATION OFFICERS who were elected by the board of directors Tuesday to lead the Tri-Cities association during 1967 are — A. P. Steinhauer (center) of American Steel Foundries, president; Gerhard Ansel (left of treasurer), first vice-president; and Paul Kemp, of A. O. Smith Corp., second vice-president, was absent when the photo was taken.

500 Hear Farm Problems At Hamel Sausage Supper

"The answers to America's farm problems are the answers to all of America's problems," more than 500 Madison county farmers and businessmen were told at a sausage supper sponsored by the county National Farmers Organization Tuesday night at the Hamel community center.

The speaker was Arnold Paulson, Granite Falls, Minn., businessman and chairman of the Rural Survival committee, who called for "a sound, debt-free economy enjoying full employment at fair wages, fair profits to business and a fair farm price."

If farmers were receiving full parity prices, he said, it no longer would be necessary to buy out their neighbors, creating more debts to purchase monstrous farm machines.

The present trend to enlarge farms produce more for less is creating economic suicide, he said, not only to the farmer who thinks he will be the one to survive, but to the entire free enterprise system.

With full parity prices as \$2.22 a bushel for corn, \$3.00 for wheat, and \$3.20 for No. 1 hogs and \$41.80

County Gets \$844,797 Title I School Grant

Special from Washington
Madison county has been awarded \$844,797 by the U. S. Office of Education for special programs for disadvantaged children during the 1966-67 school year. The grant was made under Title I of the 1965 Elementary and Secondary Education Act.

The grant for the state of Illinois as a whole amounted to \$66.2 million. The program applies to both public and private school districts. Public school districts administer the programs in which private and parochial students may participate.

Allocations to the counties are determined by the ratio of low income families.

Two Area Men Get Prison Terms for GC Armed Robbery

Two area defendants were sentenced to prison and two others were granted probation following hearings Monday before Circuit Judge James O. Monroe in Edwardsville.

Sentenced to the Illinois state penitentiary at Menard were Jerry Warrack, 25, of 2028 Washington avenue, to a term of three to six years, and Raymond L. Beaton, 30, of Paducah, Ky., to a term of one to two years.

Krumsieks to Speak

Mr. and Mrs. Alfred E. Krumsiek will discuss "Northern France and Southern England" at the February meeting of Travelers Abroad at 7:30 p.m. Monday, Feb. 27, in the Prather junior high school library.

Evans, 22, of 1618 Seventh street, were charged with armed robbery at the Washington tavern, 20th street and Washington avenue, last Nov. 22.

Evans, the only one of the three who had not been convicted of a felony previously, was granted probation for four years.

Charles Lee Miller, 36, of 104 Central avenue, Mitchell, was given two years probation. He was charged with theft of office equipment from the Venice school system last July 25. He was ordered to make restitution.

New Directors Elected

Long Service Awards Presented at YMCA Annual Meeting

The 49th annual meeting of the local Young Men's Christian Association was highlighted Monday evening with ceremonies marking the retirement of two long-time board members; presentation of employees' service awards; and election of seven new directors to the YMCA governing board.

Approximately 75 persons attended the year-end dinner meeting held in the YMCA auditorium. Milton G. Reinhardt, board president, welcomed the guests and William L. Harris was master-of-ceremonies.

Dinner music was furnished by Richard C. Hoshier, a musical interlude was provided by the Colletts, a trio of Granite City high school students.

Rev. Dr. David B. Maxton, pastor of the First United Presbyterian Church, offered the invocation and benediction.

Plaques for Two
High tribute was paid by board members and staff to Mrs. Fanny Epstein on her retirement from the YMCA's governing body after serving more than 30 years as a director, and board secretary. She was presented an engraved plaque commemorating her services to the YMCA program.

Presentation of a similar plaque is to be made to B. E. Hohl, who also retired after holding a YMCA directorship for many years. He was unable to be present at Monday's meeting.

Elected as new board members were Granite City Postmaster Theodore Overbeck, Rev. Maxton, Mrs. Esther Berger, Sylvester A. Dulgeroff, local architect, Rev. W. W. Bowers, physician, Madison Mayor Stephen Maestas and Randall Robertson, local lawyer.

Installation ceremonies were conducted by Harold R. Fischer, YMCA first vice-president.

Employees Honored
YMCA staff members who were presented service awards during the dinner, included Earl Iberg, front desk clerk, 24 years; Mrs. Nellie Lapsard, housekeeping, 13 years; Mrs. Vera Kirkpatrick, housekeeping, 12 years; Mrs. Louise Serfas, Teen Town, 12 years; John Forcade, front desk clerk, 11 years.

Mrs. Jackie Woods, housekeeping, nine years; David Cunningham, maintenance, nine years; Mrs. Myrtle Bell, housekeeping, eight years; Mrs. Dora Darnell, women's department and bookkeeping, six years; Mrs. Marcelle H. Herman, Youth and Teen Town, six years; and Ruben Anderson, YMCA soccer program, six years.

Describing the "YM" as "an important spoke in the wheel of community life," Vice President Tharp, executive director, offered a glimpse into future activities, which he said, "are calculated to improve and update many programs sponsored by your local YMCA."

THE CHINESE HAD A GOOD IDEA
In ancient China, people paid their doctors to keep them healthy. At that time someone not sick, their doctor was not paid. This could be possible here, providing our doctors are given the opportunity to properly take care of you.

It is a fact now, that too many people are constantly taking home remedies which are only a temporary relief (if) the next dose. Too often, when they finally consult a physician the damage has become serious and the body has been ravaged so that a cure becomes difficult. Some self-treatments are good, but if the condition for which they are taken keeps returning, you need a physician.

YOUR DOCTOR CAN PHONE US when you need medicine. Pick up your prescription if shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Town Meeting Routine
The Venice town board met at the town office Tuesday night and approved bills in a brief session. It was reported by Supervisor Arthur "Cooper" Moore.

CD Meeting Room Being Refurbished
A meeting room in the Granite City civil defense building, 1411 Nineteenth street, on which the CD members have spent 195 hours to improve, now will get a new look.

City council members authorized the \$80 purchase Monday night upon learning that the replacement of six venetian blinds would cost \$132. The drapes are needed because the room also is used by the city police department, and without window coverings, films could not be shown.

The request was submitted to the city by CD Director Victor Koenig, who said the windows are all that remain to be completed.

Car, Train Collide
A car driven by Diane P. Kaleta, 918 Reynolds street, Madison, was damaged at the left rear at 11:10 p.m. Tuesday in a collision with an Illinois Terminal Railroad locomotive at the east end of the McKinley bridge superstructure. Police reported damage was minor and the car was driven away.

SOCIETY

Club Style Show Tickets Issued

The Granite City Junior Service club was host Monday evening for a "special party" for prospective members and for a regular monthly meeting. Guests for the party were Mrs. Linda Saltich and Mrs. Toby Worthen.

Mrs. Rena James, president, presided and reports were given by Mrs. Audrey Jarvis, Mrs. Candy Kawula and Mrs. Kathleen Gochan.

Mrs. Joanne Gaumer, charity chairman, reported on four cases for approval. The club will also donate to the American Cancer Society.

Mrs. Gochan, chairman of the fashion show to be held March 14 at the Granite City high school gym, submitted a report on progress of the project. She distributed tickets for sale by each member. Commentators will be Cliff and Nancy St. James of St. Louis.

Mrs. James announced a federation dinner dance Feb. 22 at the Granite City Army Depot. The proceeds will be used for children at Alton State Hospital.

The members agreed to sponsor a Little League baseball team this year.

A discussion was held on the annual fall project, a rummage sale. Anyone wishing to donate usable clothing may contact any club member for pickup service.

A luncheon was served by the committee for the party. Mrs. Faye Krause, Miss Juanita Bell, Miss Flora Mae Lansing, Mrs. Wilma Edgington and Mrs. Genevieve Bergmann. They used a valentine theme in decorating the tables.

Others present were Mesdames Marilyn Bodman, Eva Burns, Sandra Domitrovich, Margaret Hornberger, Louise Kovar, Mrs. etta Kerkovich, Doty Melkamp, Charlene Polman, Pauline Presley, Kay Reel, Phyllis Stroh, Carol Trittich, Vivian Vaughn, Jean Ann Vrenick, Gladys Wagner and Mary Lou Worthen. Miss Margie Greenodner, Miss Helen Parsaglian, Mrs. Marilyn Daine, Mrs. Mary Beth McGivern and Mrs. Frances Rowden.

During a social hour, prizes were won by Mrs. Kovar, Mrs. Worthen and Mrs. Wagner, and a homemade article went to Mrs. James.

The next executive board meeting will be held March 6 in the home of Miss Lansing, 2804 Washington avenue, and the club meeting will be March 20 at the civil defense building.

BIRTHDAY PARTY FOR HARWELL SCHRADER

Harwell Schrader was six years old Tuesday and to celebrate the event his parents, Mr. and Mrs. Martin J. Schrader, entertained guests at a party in their home, 5116 Margville road.

A circus theme was used and there were booths and prizes for all.

Those attending were Laura Marie Deatherage, Gretchen Hoelscher, William Winter, Stewart and Andrew Davis, David Oliver, Mike Hubbard, David and John Thompson, Brentwood, Mo. Eric Schrader, brother of the honoree, Lynn Lisa, Leslie and Christopher Ybarra, Mrs. Mabel Deatherage, grandmother of the young guest of honor, Mrs. William F. Winter, Mrs. Frederic Ybarra, Mrs. Harry D. Deatherage and Lawana Deatherage.

Mrs. Jane Kemp, president, was in charge and the members planned tea and fashion show by Mrs. Frank Miller and the dedication of the Least Coin led by Mrs. Alvin Meyer.

Mrs. Miller, 2406 Cleveland blvd., is to be the March hostess.

MISS RITA LEE COCHRAN, a bride-to-be. Her parents, Mr. and Mrs. Delmar C. Cochran of Springfield, Mo., formerly of Granite City, are announcing her engagement to Alan Dale Young, a son of Mr. and Mrs. Wendell G. Young, of Greenville, Ill.

Engagement Is Announced

A former Granite Cityan, Miss Rita Lee Cochran, will be married March 18 to Alan Dale Young, a son of Mr. and Mrs. Wendell G. Young of Greenville, Ill., her parents. Mr. and Mrs. Delmar C. Cochran of Springfield, Mo., are announcing.

The bride-to-be is a 1968 graduate of Granite City high school. Her fiancé graduated from Greenville high school. He is employed by Granite City Steel Co.

Block Safety Plan at Frohardt

Sgt. Joseph Nemeth of the Granite City police department was guest speaker at a regular meeting of the Frohardt school PTA Tuesday evening, discussing the block protection plan for students.

Parents are to place block posters in their windows to designate where children may obtain assistance in time of trouble. He answered questions at the close of his talk.

The members voted to adopt the plan.

Maxine Ellington, president, was in charge of the meeting and a flag ceremony was presented by Cub Pack 24 under the direction of J. R. Shanks. The PTA prayer was given by Miss Rebecca Walden.

Reports were given by Mrs. Arlyne Milton, secretary, and Don Macek, treasurer. Founders' Day was observed and past presidents attending were Harold Mercer and John Gagich. They were presented with boutonnieres.

A discussion was held on sponsoring an Explorer post and the members agreed to the project, with the organization to begin this term.

Mrs. Ruth Seymour's second grade room received the attendance award. Refreshments were served by second grade room mothers.

The PTA board will meet March 14 and the unit March 21.

Marshall PTA Told of Eye Care

"Prevention of Blindness and Conservation of Eyesight" was the program topic Tuesday evening at Marshall school PTA.

Robert Leishenberger sr., executive director of the St. Louis Society for the Blind spoke and showed a film, "Smartest Kid in Town," provided by the National Society for the Blind. He urged that children who wear glasses obtain safety glasses for outside play; the cost is small, he commented.

He also spoke on the eye bank program, under which those interested may sign a pledge to donate their eyes. They must notify a member of their family, as the transplant must take place by five to six hours after death.

The meeting was opened by Mrs. Kathleen Tadlock, president, with presentation of colors by Girl Scout Troop 709 under the direction of Mrs. Louis Marie. Reports given were by Mrs. Charlene Vunovic, secretary, and Mrs. Lois Ferrere, treasurer.

Mrs. Tadlock announced the "block protection plan" has been adopted and that posters will be distributed next week. She also commented on the recent Area PTA Council dinner.

County School Supt. Wilbur Trimpe explained the junior college program, and the PTA discussed providing information for residents in this area concerning the proposal prior to the election. Larry Ferrere urged donations for this purpose.

The members voted to donate part of the cost of a manuscript typewriter for the school.

The president announced that parents of third grade students will be asked to submit suggestions for the annual trip to students. Final plans are to be made later.

She asked that a man volunteer as Boy Scout representative so that the school may obtain a charter from the scout council.

Mrs. Vivian Davis announced a Girl Scout Week observance March 12 and said Brownies will open the May PTA meeting. A display during the national week will be placed at the Ben Franklin store in Bellemeville.

Refreshments were served by first and second grade room mothers.

The board will meet April 11 and the PTA April 18.

Wolf, Ann Pates, Ann Welch, Lora Hollis, Elizabeth Bucher, Dorothy Berkshire, Nancy Hadley, Ila Dunscomb, Hazel Trots, Sandy Barrios, Margaret Christensen and Lorraine Gramaud. The club will meet again Feb. 28.

FORMER RESIDENT IS MARRIED

Just announced is the marriage of Miss Philomena Bumpers, a daughter of Mr. and Mrs. J. C. Bumpers sr., of Monongahela, Pa., formerly of Granite City, and Raymond Durtree, whose parents are Mr. and Mrs. Alvin Durtree of St. Louis.

The ceremony was performed Feb. 11 at the Carondelet Baptist Church. The Rev. E. N. Rogers officiated and a reception followed the ceremony.

The couple is residing in St. Louis where both are employed.

Williams-Murphy Engagement

Announcement is made of the engagement and forthcoming marriage of Miss Judy Murphy, a daughter of Mrs. Rose Murphy, Apt. 76 Grenzer Homes, Madison, and Donald M. Murphy, 1222a Niedringhaus avenue to Allen Dale Williams, whose parents are Mr. and Mrs. Luther D. Williams, 1817 Fifth street, Madison.

The wedding will take place April 3 at First Baptist Church in Madison.

The bridegroom was graduated in 1966 from the Madison high school and is now employed by McDonnell Aircraft Corp. His fiancée is a student at the Madison high school.

WPP CIRCLE FOUR HOLDS MEETING

The home of Mrs. Charles Meyer, 2708 Harvey place, was the place of meeting Tuesday evening for Circle Four of First Presbyterian Church.

Mrs. David John, president of the United Presbyterian Women, was a guest. Mrs. Alvin Meyer, chairman, conducted the meeting, attended by ten members, and the program included the Bible study by Mrs. Charles Landes, the Year Book of Prayer by Mrs. Frank Miller and the dedication of the Least Coin led by Mrs. Alvin Meyer.

Mrs. Miller, 2406 Cleveland blvd., is to be the March hostess.

BUNNY BOXES TOPIC OF ST. JOSEPH BROWNIES

Members of Brownie Troop 1138 of St. Joseph's Catholic school met Monday afternoon in the church basement for a weekly meeting. Main discussion was on "bunny boxes" which they will decorate and fill to be sent to patients at Alton State Hospital for Easter.

The remainder of the meeting was spent playing games and singing scout songs.

Mrs. Patricia Rigney, leader, and Mrs. Gloria DeRuntz, co-leader, announced final plans for the troop to tour the main Granite City fire station Feb. 27 in lieu of a regular meeting.

Others attending were Betty DeRuntz, Judy Reisinger, Margaret Clark, Margaret Decker, Debbie Vasiloff, Mary Bruns, Mary Yureck, Samatha Gunther, Marsha Payne and Pauline House.

Warriors' Five Entrants Hopeful of State Wrestling Title

"Prospects for Granite City's five wrestling Warriors to bring home another state championship look good," according to Bill "Red" Schmitt, Warriors' head coach. Competition will take place tomorrow and Saturday in Champaign.

Three Warriors won individual championships, Bill Fuchs (105), Jan Gitcho (112) and Jerry Lapinski (138), and two finished second, Ray Hankins (154) and Bruce Illies (145). In the Wood River sectional held last week, they will travel to the University of Illinois to compete for the state championship competition.

"If statistics mean anything, we have placed as many wrestlers in the championship bracket as some of the state 'power teams,'" Schmitt said. There will be competition in 12 weight classes.

A meet favorite is East Leyden, which qualified six wrestlers for state competition. Another threat is Sterling Township, which also is sending six wrestlers.

No Repeat Champion
Waukegan, defending 1966 state champion, qualified only two wrestlers this year and lost its

sectional to Deerfield. In that sectional, Deerfield finished first with 47 points and New Trier was second with 46 points.

"Of course, the number of qualifiers a team has does not guarantee the team will be a state contender."

Last year, Pekin had 10 wrestlers qualify for state competition but finished low. Coach Schmitt told the Press-Record:

Referees will include Joseph Fedora of Granite City. A state second-place winner for the past two years, Fuchs (105) may draw Jim Jackson of Aurora West, who cost him the championship in the 95-pound class last year.

Jackson and another wrestler, Guy Ward (138) of Evanston, are the only returning individual state champions at the meet. It is possible that in a blind draw, Fuchs could be matched with Jackson in the quarter final or semifinal round.

Fuchs Undejected
Fuchs, who has lost only three matches in three years, has been victorious in all 36 bouts this season. He is district and sectional champion.

Gitcho, 112-pounder, has 35 wins

and no defeats in the 112-pound class but one loss in the 120-pound weight division. He is also district and sectional champion.

Lapinski (138) has 25 wins and eight losses this season.

Hankins and Illies also have notched impressive records this season. Hankins has 28 victories, six defeats and one draw, while Illies has 25 wins, six losses and one draw.

Past GCHS Performances
In the 30 years the tournament has been held, this will be the 28th time the Warriors have participated. They have scored in 28 tournaments; only in 1950 did Granite City quality but fail to score in a state meet.

The Warriors currently stand in fourth place among the top 10 schools scoring in the state meet since introduction of the present scoring system in 1956.

In front of the Warriors are Waukegan, Reavis of Oak Lawn,

and Proviso East. Waukegan holds the title for the largest number of individual champions, 26, and Proviso East holds the record number of team championships, eight.

The Warriors, however, hold the record for the most points scored by a non-veteran team in the state final tournament, set when they scored 41 points in 1957.

Granite City, by winning its 14th consecutive sectional meet, has just tied a state record for that number of wins.

Granite City placed third at the state meet last year. Waukegan won the meet with 65 points. Wheaton Central scored 20 points and the Warriors followed with 24 points.

GCHS 1966 State Champ
In 1965 Granite City placed third at the state meet last year. Reavis of Oak Lawn for the state met title and Granite City became only the third team to win

or tie for the championship with-out winning an individual title. Proviso tied the same in 1959 and Champaign in 1941.

GCHS also boasts state basketball (1940) and baseball (1948) championships.

Granite City's wrestling squads in years past have been the only area team in contention and able to break a monopoly by Chicago city and suburban schools in the record books.

The Chicago area squads are aided by season-long rugged competition, while the Warriors are occasionally severely tested. The Warriors' hopes in the 1967 edition of the state tourney depend on the strength of overall team power in their five sectional qualifiers.

"The five will have to scramble. If we get a couple of winners, plus wins by the others, it will put us in the 'hardware' bracket," Schmitt concluded.

Champion Trojans Will Meet Maroons in Final Home Game

The Midwestern Conference basketball champion, Madison Trojans will play their last regularly scheduled game of the season when they meet potentially powerful Belleville West on the Trojan court tomorrow. Game time is 8 p.m.

Madison is 21-1 this season, having lost only to Granite City. It had a perfect record in 12 league games.

The Maroons finished third in the Southwestern Conference with a 7-5 mark and have a 13-9 overall record this season. Prior to last season's Madison-Belleview battle, the Trojans were riddled with practice and game injuries. But despite these handicaps the Trojans upset the Maroons 69-63.

Trojan injuries, notwithstanding a few sprained ankles and

bouts with flu viruses, have been kept to a minimum this year and the team is ready and eager to score its 22nd win.

Regulars for the Trojans include Gary Lusk, Neal Podoba, Ron Burt, Albert Boyd and Steve Gerloff or Steve Shipcock. Among the able bench men are Joe Collins and Dennis Latham.

Past Battles
In seasons past, the Trojans and the Maroons have had some outstanding games.

The year Belleville beat Madison in the sectional (1961-62), the final score was 71-68. The Madison quintet had downed the Belleville regional and Belleville West meets Lincoln of East St. Louis in its first regional game at Belleville East.

garded as the potential state champions.

With the Trojans again this year fighting a height problem—which hasn't seemed to bother them much as yet—the game Friday promises to be a real cliff-hanger, pairing one of the better, larger Southwestern Conference teams against the best of the smaller Midwestern Conference.

The game will be the final test for both teams before they move into regional competition next week.

The Trojans play Midwestern Conference runner-up Roxana at 7 p.m. Tuesday at the Edwardsville regional and Belleville West meets Lincoln of East St. Louis in its first regional game at Belleville East.

COLD WEATHER does not hinder these second hour GCHS gym students in enjoying field soccer. Dressed well, over 100 boys voluntarily play soccer, leaving less competition for facilities inside the gymnasium.

GCHS Playing Winter Soccer

To ease gymnasium crowding, the GCHS boys' athletic department is conducting voluntary field soccer during winter months. Over 100 boys have volunteered for the activity, with the understanding that they play field soccer under all weather conditions with the exception of rain or a substantial snowfall.

William Schmitt, Warriors' wrestling coach, who instructs 54 boys in a second-hour soccer group, said the students like going out because they are relieved of the noise and confusion of the gymnasium.

"We have a lot of ex-YMCA soccer players in the two classes. Of course, they enjoy the game tremendously," Schmitt said.

However, the majority of students in the classes haven't had soccer previously," he added.

The school system currently is studying possible designation of soccer as a varsity sport.

Warriors to End With Contest at Mater Dei

The Granite City basketball Warriors will meet Mater Dei in last season's final contest of Brees in their final regular contest this season, traveling to Brees Saturday evening.

Winning over Mater Dei, the Warriors would finish with a season mark of 14-1. The win, however, would not affect their 4-8 fifth-place Southwestern Conference record this season. Mater Dei, an independent, offers a very real threat to the Warriors over a 15-7 mark this season.

Riding on the success of their last win against Alton, Warriors Terry Moore, Gary Simpson, Jim Hentzel, Bob Malottiki and Jim Stuart are expected to start the last game.

In last season's final contest, the Warriors lost to Cahokia 70-69 on a last second tip-in. In that game, Moore and Hentzel teamed up to pace Warrior scoring early in the game, both totaling 10 points. Co-captains this season, Hentzel is averaging better than 20 points a game and Moore over 15 points.

In Edwardsville regional competition, the Warriors have drawn host Edwardsville for their first-round game at 8:30 p.m. next Tuesday.

In the Warriors' regional opener against Venice last year, they won 67-42.

National Archery Champ To Receive Award Sunday

Donald Kiel, 156 Voight place, Mitchell, will soon add another archery trophy to a roomful that amounted to 140 at the last count. Kiel, who won the U. S. Open archery contest's distinctive shooting division this month will be presented the Illinois Archery Association's Grand Champion award at Peoria Sunday.

His daughter, Patricia, nine, will begin her own collection of archery trophies when she is jointly presented the Boy Scouts of America's "Cub Award" at the same ceremony.

282 Out of Possible 300
At the U. S. Open, held in Las Vegas, Nev., Kiel tallied 282 points in first-round shooting and 282 points in second-round competition, aiming at a three-inch bullseye from 20 yards out. He scored the closest to a perfect score of 300 points, and eliminated 653 other archers from across the nation.

Insistive shooting is the way the original Americans—Indians—aimed at buffalo, and our forefathers.

Other shooting techniques use a sighting device attached to the bow, allowing the archer to judge for elevation and distance while aiming at a target.

Field, Target Judging

Kiel, a sheet metal and iron worker, qualified for the Illinois State Archery Grand Champion award by topping all Illinois archers in three separate archery areas: field archery, using free-style shooting methods, and

target and bow hunting.

In bow hunting competition, the archer proves his worth under actual hunting conditions.

Prior to winning the Grand Championship, Kiel was Illinois state champion in two of the categories, field and target, for the past seven years.

Demonstrations, Hunting

Besides working as a tradesman, he demonstrates archery safety and shooting techniques to organization members at the Boy Scouts of America for the Hoyt Archery Co. of Bridgton, Me.

On top of this, he practices target shooting at an indoor archery range in Wood River.

And, when not attending contests, he finds time to hunt in season for deer, rabbits, squirrels, pheasants and quail—all with a bow.

"I have bagged seven deer, numerous rabbits and squirrels and one pheasant in flight, but I haven't got a quail yet," he comments.

Much Travel Required

As in other sports just beginning to gain national attention, Kiel must travel great distances to test his skill against equals. But despite this drawback, he confesses that "archery is my game."

"It seems like I drove 40,000 miles last year to compete in events, but it isn't as bad now as it was 10 years ago."

"Illinois ranks second only to California in total number of archery enthusiasts."

Heart Bowling Winners Told

Twenty-four Quad-City bowlers will divide prize money in the annual Heart Fund bowling tournament held last week, it was announced today by Virgil Phillips, project chairman.

At Bowland, Gary Gubser was high scorer in the men's division, knocking down 725 pins including handicap, followed by Chris Heiler with 723 pins, William Buehne 710, James Massa 707, James Grove 690 and Robert Allen, 680.

In the women's division, Paul Uzumoff tallied 686 pins for first place honors. Dolly Wells and Gloria Lensing tied for second with 680 pins each. Nancy McKinnon totaled 662, Sharon Kline 656 and Cornelia Thebeau, 647.

Lawrence Petri topped the men's division at Brunswick Tri-Mor with 704 pins. Leo Clements had 701, Andrew Lesko and Mike Romero 693 each, Larry Blum 690 and Ralph Anderson and M. A. Sanders, tied for sixth place with 657 pins.

Clara Nolen totaled 686 pins to take first place in the women's division, followed by Carol Davis with 641, Mary Nann 640, Marie Miller 631, Joyce Gibson 629 and Edna Miller, 626.

The top three bowlers from each division at Bowland and the top two from each division at Brunswick Tri-Mor will compete in a Madison county Heart Fund bowling tournament Sunday.

Two to three divisions at Edwardsville township.

Lovejoy, Marquette Open Venice Tourney Tonight

The two-day three-team Venice district basketball tournament tonight will feature a contest between Lovejoy of Brooklyn and Marquette of Alton at 7 o'clock at the Venice high school gymnasium.

The winner of this game will top-seeded Venice in tomorrow night's contest, also slated for 7 o'clock at Venice.

Lovejoy will enter the tournament with a 5-4 season record and Marquette has records of 6-10 in the Bi-State Conference and 6-18 overall.

Last season, Lovejoy gained entry into Venice district finals by downing Marquette 76-61, having gone into the tournament on a 9-5 season mark to Marquette's 12-8 mark.

The Venice Red Devils routed

Lovejoy 104-60 in the tournament finals last season, led by Rich Essington and Jerome McCrone.

Essington, a high scorer and skilled playmaker, is back this season with several teammates as John Gardner.

The Red Devils are the tournament's top-rated team with a 20-5 record. Venice was runner-up in the MCM basketball conference with 11 wins and three defeats.

The winner of the Venice district tourney will meet Alton at 8:30 p.m. Monday in the second game on the opening day of the Edwardsville regional tournament.

Last season, the Red Devils were pitted in the regional against the Granite City War-

Italian Silver Shop Owner Enlists Aid of Local Hospital

The world-famous St. Elizabeth Hospital scooters have brought an unusual request from flood-ravaged Florence, Italy.

Carlo Grazzini, owner of the Lily Silver Shop, Florence, struck an acquaintance with Sister Mary Thomas by letter in 1965 when he asked for a picture of the hospital's nurses with the scooters. He wrote, "Many things have happened and changed my life in 1966. First I married and from manager of a silverware shop I became owner of it."

On Nov. 4, 1966, his shop located on the Piazza S. Croce was submerged under 17 1/2 feet of water. Grazzini writes, "I thought of you and the USA. I am asking you if you can, help me in my business. I do want to

start again and to do this I have to work very hard. I asked other friends of mine in the States to write to some newspapers in their towns asking to publish something about my shop."

Unfilled Orders
"I have lost all records, but still owe goods to U.S. customers who ordered from me during last summer. I do not know their names and the goods, so I asked to publish a few words saying if somebody ordered by mail or personally goods to the Lily Silver Shop to get in touch soon with me."

He explained the U.S. Consulate has advised him to ask for photostatic copies of receipts for merchandise ordered from his shop.

James G. Ayers, 63, Dies in Belleville

James G. Ayers, 63, of 3048 Westly avenue, East St. Louis, died at 8:30 p.m. Tuesday, at Belleville Memorial Hospital. He had undergone surgery last week and suffered an apparent heart attack Monday evening. He was the brother of a local resident and several former residents.

A native of Perks, Ill., Mr. Ayers had lived in the East St. Louis area about 40 years. He was a conductor for the Pennsylvania Railroad for 24 years and was a member of the Brotherhood of Railway Trainmen. He

was preceded in death by his parents, William and Iona Ayers, former Granite Cityans.

Surviving are his wife, Mrs. Georgia (Seiber) Ayers; three sons, W/Sgt. George Ayers, serving with the U. S. Army in Germany, Maurice Ayers of Houston, Tex., and John Seibert of Buffalo, N. Y.; two sisters, Mrs. Marion (Mary) Sparks of Granite City, and Mrs. Kenneth (Vesta) Smith of Utica, Mich.; two brothers, William E. Ayers of Saudi Arabia and Rev. Arthur W. Ayers of Gloucester Point, Va., both formerly of Granite City, and six grandchildren. Funeral arrangements are given in today's obituary column.

Annual Banquet For Cub Pack 12

An award ceremony conducted by Leader Edw. Seibold and cartoons were highlights of the annual Blue and Gold banquet of Cub Pack 12 of Niedringhaus school Tuesday.

About 100 cubs and their parents and guests attended the banquet held in the school cafeteria. Among those given special recognition were the den mothers, each of whom received a corsage. Mrs. Della Seibold also was given a six-year pin, and a certificate was presented to Mrs. Richard Roberts, wife of the Webelos leader.

The den mothers honored were Mrs. Margaret Whaley, Mrs. Wilma Penrod and Mrs. Mildred Weyers. Special guests were Robert, John, Peck, Scout commissioner and institutional representative, and Mrs. Peck. Frank Kuzma, scoutmaster of Niedringhaus Boy Scout Troop 12, and Mrs. Kuzma and their children, Ronald and Carol, and Gerald Bushue, school principal, and Mrs. Bushue.

Cubs receiving awards were Jeff Pulaski, a Lion badge, silver arrow for a Bear badge and a donor sash; Jeff Cavins, a Lion badge and gold arrow; Kenneth Penrod, a Bear badge; John Alsop, a three-year pin; and Richard Brown, a one-year pin.

Differences Over Air Control Rules May Stall Compact

The Illinois State Air Pollution Control Board would up hearings this week on three sections of its state air control code, while in Missouri public health officials continued today to consider control regulations in conflict with those proposed by Illinois officials.

As a result officials in both states admit there is a possibility that an interstate compact proposed by Gov. Kerner of Illinois and Gov. Hearnes of Missouri may bog down. Both governors met recently; said they hoped a compact agreement could be reached for approval by the legislatures of both states. March 1 has been set as a target date for completing terms of a compact agreement.

Clarence W. Klassen, technical secretary of the Illinois control board, and Elliot F. Porter Jr., executive secretary of the Missouri Air Conservation Commission, have met but were reported still deadlocked over general powers of the enforcement commission that would be set up under an interstate agreement.

Primary difference is that Illinois wants state and local governments to retain the principal responsibility for control of air pollution regulations. Under the view expressed by Illinois, the interstate commission would step in only if two conditions arose—that air pollution arising in one state was affecting residents of the other, and that state and local government failed to act in the matter.

Missouri officials contend the first instance would be too great of a burden of proof upon the commission. They believe the interstate commission should be able to step in without waiting for state or local government to act.

Illinois control board members held final hearings Tuesday in Joliet and Wednesday in Streeter on the current three sections of the state code. Primary section of the three covers control of emissions. Jack Braggman, Chicago, chairman of the board, announced at a hearing in East St. Louis last week that the board hopes to initiate at least part of the state code by April 1.

Missouri officials, who have been modeling all ordinances on that side of the river on the Interstate Air Pollution Study made under the primary sponsorship of U. S. public health officials, favor more strict pollution abatement standards than are being considered by Illinois pollution control officials, despite repeated testimony from many experts that the stricter standards will inflict upon industry technological difficulties and added expense that would not be justified by the additional benefits to the public.

City Plans Early Start on 1967-68 Budget

Once again, Granite City officials will strive to get an early start on a new budget-hopeful of avoiding the customary summer lull when the July passage deadline is fast approaching.

A May 15 deadline was set Monday night for all items to be ready for the first overall council meeting on Tuesday night, that additional problems face the city—continued tax limitations of the Hodge-Butler bill and the start of a new bookkeeping system with two sets of books.

Rutledge called upon council members and department heads to begin formulating their individual 1967-68 fiscal year budgets and the start of a new bookkeeping system by the end of the month.

Less of Taxes The \$280,000 annual loss of taxes due to the tax rate limitation law, Rutledge said, committee chairman and department heads must watch costs closely. He brought up the budget topic following a presentation of the January financial report to the council.

"You'll notice a lot of bracketed figures. That means they're in the red. We're going to have to keep a close eye on our spending," the chairman advised the council.

He estimated the city would overstep its property tax income by \$210,000 at the close of the fiscal year on April 30 and go heavily into the \$582,442 sales tax reserve.

The January financial report prepared by the comptroller showed nine of the 17 general fund accounts with deficits on Jan. 31. The total balance of the 17 accounts was only \$20,818, with three months remaining in the fiscal year.

Overall, the city has spent \$1,596,589 in the nine months of the current fiscal year, and had a total balance on Jan. 31 of \$751,127, including the \$582,442 in the sales tax account and other funds earmarked for special purposes.

These special accounts also showed deficits amounting to \$100,814 for various city street and drainage improvement projects and the perennial red figure for maintenance of sewers, now amounting to \$98,024.

A breakdown of the general fund accounts showing nine-month disbursements and Jan. 31 balances or deficits follows: Fire department, \$222,900 and a deficit of \$58,629; water, \$121,100 and a balance of \$14,361; street department, \$212,847 and a deficit of \$60,212; lights, \$16,533 and a balance of \$11,699; pumping station, none and a balance of \$509; general government, \$100,297 and a deficit of \$17,318; city hall, \$25,947 and a deficit of \$330.

Police department, \$247,337 and a deficit of \$86,495; inspection department, \$19,735 and a balance of \$321; election, \$67 and a balance of \$428; sanitation, \$110,195 and a deficit of \$26,745; interest and judgment, \$2889 and a balance of \$201.

Dog catching, \$3285 and a deficit of \$488; contingent fund, \$14,113 and a deficit of \$991; tax commissions, \$18,050 and a \$1000 transfer to the general government account, leaving a balance of \$121,505; city planning, \$9,018 and a deficit of \$2073, and school crossing guards, \$13,269 and a deficit of \$12,821.

A similar breakdown follows for the special accounts: Illinois Municipal Retirement, \$34,204 and a balance of \$8196; working cash, none and a balance of \$19,660; parking meters, \$36,886 and a balance of \$102,821; artificial street maintenance, \$100,772 and a balance of \$5381; unclaimed rebate, none and a balance of \$19,291.

Civil defense, \$23,311 and a deficit of \$10,565; sales tax, \$55,144 and a balance of \$582,442; maintenance of sewers, \$22,538 and a deficit of \$88,024; special police fund, none and a balance of \$29,069.

Special street fund, \$25,199 and a balance of \$2716; special fire fund, none and a balance of \$3303; sidewalks paving, none and a balance of \$81; special fire equipment fund, \$413 and a balance of \$39,587; various city improvements, \$100,923 and a deficit of \$100,614; air pollution, \$1640 and a deficit of \$1594, and motor fuel tax projects, \$172,369 and a balance of \$3651.

Meng Proposed As Rotary District Governor in 1969

Edward J. Meng, 2624 Madison avenue, was proposed as 1969-70 governor of Rotary District 646 in a resolution adopted by Granite City Rotarians at their weekly luncheon Tuesday. The district conference will be sought for this area in the spring of 1969.

Meng, a past president of the club, serves as a director and as public information committee chairman.

He has been publicity chairman for annual benefit Rotary horse shows and was assistant Granite City postmaster until retiring.

Rev. Alfred Buls, pastor of Hope Lutheran Church, served as moderator for Tuesday's promotional dinner party Feb. 18.

750 Persons Served at DeMolay Chili Supper

More than 750 persons were served at the Masonic Temple or through carryouts as the Granite City DeMolays held their annual chili supper Tuesday evening.

The Mothers club, under the direction of Mrs. Evelyn Ringering, prepared the chili and served the supper with the aid of the DeMolays.

At a regular meeting following the supper, Master Councilor Reggie Teague and the advisory council expressed appreciation for public support of the event.

It was announced that the initiatory degree will be conferred upon candidates on March 7. The class will be named in honor of York Rite Masonic Bodies in accordance with the proclamation of Lee Lockwood, DeMolay International grand master, setting aside the months of January, February and March as York Rite Appreciation Months.

The local chapter, the first to be formed in Illinois, is sponsored by Granite City Chapter 221, Royal Arch Masons. All master Masons and members of the local Royal Arch chapter are invited to the installation.

New Madison Jr. High Council Officers Named

Madison junior high school student council members last week elected officers for the remainder of the school year. Those elected were Vickie Barker, president; Janet Severine, vice-president; Bonnie Willmirth, secretary; and Terri Doza, who is to remain as treasurer.

Other council delegates are Cheryl Barker, Debra Bridges, Cathy Bridges, Valerie Bridges, Austin Davis, Butch Dant, Philip Lewis, Tom Champion, Varnell Glasper, Betty Potts, Paula Planitz, Mary Ann Goudy, Patty Carlson, Gary Dooley and Ricky Woodard.

Daughter Born to Mr. and Mrs. Singler

Mr. and Mrs. Terry L. Singler are announcing the birth of their first child, a daughter, Monday at Scott Air Force Base Hospital. The baby weighed eight pounds, one ounce and has been named Kelly Lynn.

The father, a son of Virgil Singler, 2457 Missouri avenue, is serving in the U. S. Navy. His ship, the USS Lexington, is in dry dock at Mayport, Fla. Mrs. Singler, the former Jeannette Stacy, is residing at 2600 Missouri avenue. Her parents are Mr. and Mrs. William Stacy, 2159 Monroe street.

"WE RESERVE THE RIGHT TO LIMIT"

Aren't both these statements FALSE? We can't attest to how marriages are pre-destined but we do know that we can only make one sale off our shelves and one sale doesn't mean a thing to us, the continuing sales are made from your dining room table.

If you find C.W. Guaranteed Meats that are too fat or have too much bone, chances are you won't purchase them again. If you find C.W. Peaches that are not sweet enough or too small, NO MORE C.W. Peaches or Meats for your family. And that's right. THAT'S WHY WE TRY SO HARD TO HAVE ANY MERCHANDISE PACKED UNDER THE "C.W." LABEL THE MOST WHOLESOME AND FLAVORFUL FOODS WE CAN BUY.

Some concerns about KITCHEN TESTED FOODS. We feel ours are DINING ROOM TESTED BY YOU, THAT "V.I.P." (OUR CUSTOMERS). After all, our products have been tested on that plate in the dining rooms for over 52 years.

"WHAT DO YOU THINK?"

Ann Crowley's Table Topics

AS LIGHT AS A FEATHER

A dumpling can do great things for a chicken stew. This light, fluffy, airy pasta must be cooked with care, to be the perfect thing that will please your family.
The secret is to steam them on top of simmering liquid. The liquid should never boil. Too high a temperature causes the dumplings to become tough. Another caution to be observed is to use a wide pan with ample liquid allowing each ball to expand to its fullest. When the dough is floating on the liquid, cover the pan with a glass pie pan or lid. This makes it possible to watch the dumplings swell and to see that the stock never boils. When the balls of batter have grown big and fluffy, remove the lid carefully and test for doneness by inserting a toothpick. If it comes out clean, the dumpling is done.
Any chicken would be proud to be served with these dumplings:

STEWED CHICKEN WITH DROP DUMPLINGS
5 1-lb. stewing chickens, cut up 1 small onion, chopped
Water to cover, approximately 1 1/2 teaspoon salt
musty 3 to 4 cups 3 to 4 peppercorns
Simmer ingredients for 2 1/2 to 3 hours.
Prepare Dumpling Batter:
2 cups sifted flour 1/2 teaspoon salt
4 teaspoons baking powder 1 tablespoon chicken fat
1/4 teaspoon nutmeg 1/2 cup milk
Mix dry ingredients; add fat and milk. Mix. Drop by teaspoon into simmering chicken stock. Cover tightly and steam for 12 minutes. Makes approximately 2 dozen fabulous dumplings.

Lake PTA Hears
Area President

The Granite City Area Council of PTA's was the main topic at the February meeting of the Lake school PTA Monday evening at the school. Cub Pack Two provided a flag ceremony to open the meeting.

The group held a short business meeting, with Mrs. Betty Orsborn, vice-president, presiding. Reports were given and it was announced that a PTA chili supper and spring festival will be held March 30. Ticket sales will begin next week.

Arthur Menendez, Area Coun-

cil president and former principal of Lake school, was the speaker for the evening, being introduced by Richard Barnett, current Lake principal.

Menendez noted that several Lake PTA members are active in the council as officers and committee chairmen. He said the PTA helps educate parents through speakers and films, and encourages the public to vote in school elections.

He said the PTA has legislative chairmen who inform members of what legislation is being considered at state and national levels.

Menendez stressed that parents can play a vital part by contacting their legislators and making their wishes known. He said contact between school and home is much easier with parents who are PTA members.

Refreshments following the meeting were served by Lake school teachers.

in
Living Color

PARENTS: We have arranged to have a leading child photographer at our store on the dates shown below.

Any age, any number of children accompanied by a parent will be photographed FREE in Living Color.

ONE complimentary color portrait will be given to each FAMILY as a gift from our store.

DON'T MISS THIS OPPORTUNITY

To get a living color portrait you will treasure always. Several poses are taken and low cost additional portraits are available for those who wish them.

This is our way of saying "Come in to see us." If you are one of our many regulars, this is a "Thank You" for your patronage. Incidentally we believe these color portraits to be something really special. These are beautifully posed portraits — not snapshots, so dress the children colorfully.

Mrs. Glenna Staggs and daughter, Darla and Crystal, and Mrs. Leola Tucker visited Bruce Tucker Sunday in Cottage Hills.

Mrs. Gladys Staggs is in Christian Welfare Hospital, East St. Louis, for a series of tests.

Gene Thomas is in Missouri Baptist Hospital, St. Louis, and is to have back surgery.

SURPRISE HOUSEWARMING

A surprise housewarming party was given Monday night in honor of Mrs. Rufus LeMaster, 2138 Benton street. The party was given by Mrs. Della Wainick and Mrs. Mae Pirle.

Games were played and prizes were won by Mrs. Mildred Rippey and Miss Peggy LeMaster.

Coffee, punch and cake were gifts.

Protestant Welfare's Aid During Month Totals \$554

Assistance given during January by Protestant Welfare Association, Inc., amounted to \$554. Mrs. Marie Whittle, office secretary, reported during a meeting of the Association Tuesday evening at First Granite City National Bank, that aid was given in 28 cases involving 100 persons.

Sixteen new cases, three recurrent and nine incidental cases were assisted. Referrals were made by citizens, ministers, the Granite City and Nameoki township relief offices, Coordinated Youth Services and an old age pension caseworker.

Thirty-two orders were issued with relief distributed as follows: food \$386, rent \$103, miscellaneous \$6, medical \$41 and new assistance \$17.

Twelve orders were issued from the storehouse for clothing with an estimated value of \$103. Received and given away were one refrigerator, two good blankets, pillowcases, bath towels, dish towels, curtains and a few utensils with a total estimated value \$35.

Roy Lynn, president, opened Tuesday's meeting, and Rev. James R. Craddock offered prayer. There was an announcement of legal aid available to indigent people and Dr. Raymond Troyer, chairman of the special services committee, discussed the need to find out needs which other towns have been able to meet through welfare work.

Also planned was the annual banquet to be held April 25 at St. John United Church of Christ.

The speaker at Tuesday's meeting was A. Gordon Dohs, superintendent of schools in Edwardsville who was introduced by Mrs. Hugh Foster. His topic was "The Junior College District."

Funeral services were held Monday in East St. Louis for Mrs. Mary Weigus, 50, a former local resident, who died Friday evening at St. Mary's Hospital, East St. Louis, Ill. with cancer 11 years, she was admitted to the hospital two days before her death.

For more than three years, Mrs. Weigus had resided here with a sister, Mrs. Rufus J. Ramsey, 2512 Adams street. She had returned to her home at 423a Leona avenue, East St. Louis, some time ago. Also surviving is another sister, Mrs. Dewey Exendine of Swansea, Ill. Interment was at Walnut Cemetery, Belleville.

Lazenby's Win Awards In Photograph Show

Mr. and Mrs. Calvin Lazenby Photographers, 2820 Nameoki road, have received awards at a show in St. Louis sponsored this week by the Professional Photographers of Greater St. Louis with which they are affiliated.

The awards were for portraits in the natural color category. The local photographers presented three pictures and all were accepted and exhibited, receiving blue ribbons and gold corners. The judging was done by Master Photographers.

An election should be held to decide which half of the people will reform the other half.

BROWNIE TROOP 738 HOLDS THINKING DAY

Brownie Troop 738 met Tuesday afternoon in the home of the leader, Mrs. Pat Winters, 125 Rivera drive, for a weekly meeting.

Sheila Harmon, president, opened the meeting, followed by the troop members giving the pledge of allegiance and Brownie promise in unison. Roll call was taken by Donna Parker.

A brief business meeting was conducted as the members completed plans to tour the animal shelter in tie of their regular meeting March 7.

The troop observed "Thinking Day," with each member presenting information and showing a souvenir from another country.

Steen Hummer and Lisa Steele spoke on Canada, Carol Henry and Donna Parker on Japan, Linda Crawford on Vietnam, Alice Miller and Debbie Barnes on Germany, Vicki Moore on Puerto Rico, Leslie Houser on India, Joyce Bumpers on South America, Debbie Griffin and Jana Beckett on Nassau, Lucy Holt on France, Beth Moley and Lori Winters on Australia, and Sheila and Sherrie Harmon on Hawaii. Also present were Julie Meyer and Mrs. Mabel Parker, co-leader.

On Monday morning, the Nameoki Duplicate Bridge club met in the home of Mrs. Meyer, 2832 Yale drive, for its weekly gathering. First-place winners were Mrs. Elizabeth Tiller and Mrs. Donna Schaeffer, and there was a tie for second and third place between Mrs. Helen Collins, Mrs. Lou England, Mrs. Golda Beiser and Mrs. Meyer.

Next week's meeting again will be held in the home of Mrs. Meyer at 6:30 p.m. Sunday at the Elks club and the Nameoki club in the home of Mrs. Meyer.

Several members of the Ruth class of Third Baptist Church visited Mrs. Julia McLean in her home, 2848 Madison avenue, Monday afternoon to deliver a "sunshine box" from the class. She was hospitalized recently.

Coffee and pie were served by those attending. Mrs. Judith Mack, teacher, and Mrs. V. Wallace, Mrs. Mae Hendrickson, Mrs. Ivan Graklanoff and Mrs. Mary Short. The next meeting will be held in Mrs. Wallace's home March 14 at a "come as you are" gathering.

MRS. SPALDING ENTERTAINS CLUB

The Dizzy Dean club met Monday in the home of Mrs. Rose Spalding, 4027 Garden lane, for the monthly meeting.

Birthday of Mrs. Anita Sprankle and Mrs. Marilyn Patterson were observed and they received gifts from their secret pals.

The remainder of the evening was spent playing games of Yahtzee. Those winning prizes were Mrs. Anita Sprankle, Mrs. Marilyn Patterson and Mrs. Margaret Sprankle.

Refreshments were served by the hostess to those named and Mesdames Doty Cavins, Page Curtis, Margaret Foley, Fay Giles, Pat Nicholas, Liz Orr and Donna Patterson.

The next meeting will be held March 20 in the home of Mrs. Marilyn Patterson, 2026 Fifth street, East Madison.

JOHN GIESE STILL ON CRITICAL LIST

John Giese is still on the critical list at Barnes Hospital, St. Louis. He is in the intensive care at 7 p.m. at the Eden United section and cannot have visitors. The class had been previously listed as at the Farm Bureau.

He is a custodian at Coolidge Junior High school. Blood donors are needed, and those interested may contact his wife, Mrs. Ann Giese, at her home.

Francis Giese of Leavenworth, Kan., his brother and Francis E. Jones, a brother-in-law, arrived here this weekend for a visit and returned to their homes Sunday evening. Mrs. Arline Jones, a sister, who has been visiting here, will return home and then return here later.

FEBRUARY MEETING OF MISSIONARY SOCIETY The Women's Missionary Society and the Brotherhood of Calvary Baptist Church met Monday evening in the church for their monthly meeting.

Mrs. Lois Bowers taught the lesson to 35 members. Refreshments were served at the close of the meeting. The group will meet again March 7 at the church.

A weekly meeting of Den Three of Club Pack 22 of Frohardt school was held Monday afternoon in the home of Mrs. mother, Mrs. Louis Brusatti, 2211 Manley avenue, assisted by Mrs. Ray Uram, assistant den mother. The meeting opened with the cub scout promise and pledge of allegiance. Following business, a uniform inspection was conducted by Den Chief Craig Tarpo.

Mrs. Brusatti reminded the scouts of the blue and gold banquet to be held at Concordia Lutheran Church at 6:30 p.m. next Tuesday.

The remainder of the meeting was spent in making leather neckerchief slides. Those present were Mark Brusatti, Joe Uram, David Lindsey, Tommy Mueller, Mark and John Schwartzkopf, Billy Wood and Gary Kaseberg. The next meeting will be held

Contractor Plans Test Case for GC Heating Code

A hearing before a jury has been requested by Paul Accardi, proprietor of Comfort Heating & Sheet Metal Co., Portage Des Sioux, Mo., who was arrested in Granite City last week on a charge of failure to have a city heating code license. The hearing of the hearing in magistrate court is pending. He plans later to challenge the validity of the code.

Accardi, in a statement issued this week, said he encountered difficulty in making arrangements to take the city examination last summer, but finally was able to take it one evening at the city hall. He said he waited six weeks after making application for a \$50 city license.

After the exam, conducted by the city heating board and Heating Inspector Leo Wofford, Accardi went to the city hall the next day to get his license. The secretary, Mrs. Velma Zang, told me I didn't pass. I asked her I could see the test, and she said no, but that I could apply for another.

A short time later Accardi took the test a second time. Wofford told the Press-Record that the contractor again did not pass and was advised of the situation. Accardi related that he waited another six weeks and then called Wofford to find out when he could take the examination again, and was told the board members were on vacation and were not available.

Can Take Exam Again Wofford said yesterday that Accardi has not been denied the examination. "We absolutely will permit him to take another one."

Inspector said an applicant is not permitted to re-examine until the test is taken, since another test probably will be given. "All the questions on the examination are based on information in the city heating code, and Mr. Accardi has that," he added.

Wofford, who is a foreman for Granite Sheet Metal Works, which is owned by May-Portney, has been heating in Portney, has been heating in Portney since January 1964 and was first named to the board by former Mayor David Spalding, 4027 Garden lane, for the monthly meeting.

Accardi, in his written statement, said Wofford was paid against him, and several months ago stopped by to inspect the work in a house on Sunset drive.

He is in the process of buying four duplex homes here worth \$70,000, and they were not the air pollution. Accardi commented. He was later released the same afternoon following a post-bond agreement with the city. He said he does not have a license there.

"I'm going to challenge the Granite City ordinance and politics," Accardi added. "I don't know; maybe there has been some misunderstanding in all this. It is a apology. I have no bitter feelings toward Granite City or politics in it."

He added that he issued the statement on the advice of a federal attorney in Springfield.

Local Group to Hear Three Guest Speakers

The Granite City Association for Retarded will meet at 7:30 p.m. Monday at St. John United Church of Christ on Nameoki road.

The guest speaker will be William Price, coordinator of the Multiple Grassy facilities at Southern Illinois University, Carbondale, who will discuss "Camping For Retarded." Also on the program will be Joseph Buddie and J. Center, who are with specialized services here who will talk on further projects for the year.

The meeting is open to the public.

Bible Lesson Services

A Bible lesson on "Christ Jesus" will be presented at Christian Science Churches Sunday, including First Church of Christ, Scientist, 2500 Delmar avenue.

Wofford comes in and tells me I'm under arrest for not having a permit. ... He looked at the job and said I wouldn't pass the work even if I had a license. The job eventually was completed by Accardi.

Accardi said he challenged Wofford and the inspector applied, "I won't pass the test and this heat stack. ... I'm going to show you my running times."

Wofford told the Press-Record he ripped tape off the stack and found it did not fit properly. Accardi said the inspector was proceeding to tear down the stack, but Wofford said he had no intention of doing that. Accardi said he prevented the inspector from tearing down the stack only by pushing him away.

The contractor said he then went with Wofford to another house where a furnace was being installed the same day and noted it was improper. "He was not supposed to be there," and then took me back to my work and said don't do any more work until you get a license. Finally gave me another examination and said I missed it by three or six points. I said I'd take it over, but Wofford said the board wouldn't give me another test and advised me he had an arrest order for me."

Accardi said he went to an attorney and had decided to give up business in Granite City, but was here last week and was stopped by a police officer who said he had an arrest order dated last September.

Local Methodist, EUB Church Groups to Meet on Merger

A joint meeting on merger has been planned for Methodist and members of the Evangelical United Brethren Church in this area.

The meeting is being arranged by Rev. R. Paul Sims, chairman of the Tri-Cities Methodist Council, and Rev. Paul Burke, pastor of the Evangelical United Brethren Church in Granite City. Designed for clarification of issues concerning the proposed merger of the two denominations, the meeting will be held in Wesley Hall of Niedringhaus Memorial Church at 2:30 p.m. Sunday.

The merger of the Methodist Church and the EUB Church has been voted by the General Conference of both denominations and now must be ratified by the annual conferences within both denominations. If final approval is voted, the two denominations

will become The United Methodist Church in 1968.

In the local meeting Sunday members of the local churches will be given the opportunity to discuss with denominational leaders various matters relative to the merger to meet members of the other churches.

In addition to the local pastors, leadership will be provided by three guest officials of the two churches—Dr. Oral Landis, conference superintendent of the Southern District of the Evangelical United Brethren Church, whose office is in Decatur; Rev. Jack Travelstead, East St. Louis district superintendent of the Methodist Church; and Dr. Joseph C. Evers, minister of St. Paul Methodist Church in East St. Louis and a delegate to the General Conference of the Methodist Church.

Mrs. Hazel Hinson, 72, Dies; 64-Year Resident

Mrs. Hazel Eunice Hinson, 72, of 1527 Madison street, Madison, was taken by ambulance to St. Elizabeth Hospital early yesterday morning, after becoming ill at home. She was pronounced dead upon arrival at 2:15 p.m. Wednesday.

Under a physician's care with a heart ailment, Mrs. Hinson had been in ill health for the past several months. She was born in Enfield, Ill., and lived in Madison for 64 years. Her husband, Earl Robert Hinson, died in 1959.

Mrs. Hinson was a member of the Madison Presbyterian Church, the Peppy Club, Venice-Madison American Legion Auxiliary Post 307 and Madison Social Club. She also had held membership in the Madison Ladies City Organization, the Past President's Parley and the Madison Ladies Democratic Organization.

Surviving are three daughters, Miss Dorothy Hinson of Madison, a teacher at Coolidge junior high school; Mrs. David (unice) Whitsell of Mitchell, and Mrs. John (Norma) Hillman of Madison. Two weeks ago, Mrs. Hinson (Norma) Earl Hinson of Collinsville, Kenneth "Red" Hinson of addition and Arthur Hinson of Effingham, Ill., and 11 grandchildren.

Funeral arrangements are given in today's obituary column.

No More Bingo in Venice, Mayor and Chief Assert

Venice and Madison county authorities agreed Tuesday that a major cash bingo game conducted Saturday night in the American Legion Post 307 Home at Venice was illegal, and Mayor John E. Lee told the Press-Record "There will be no more of it."

A similar statement came from Frank DeWitt, chief of police at Venice, who said, "The game will not operate any longer." He declined to elaborate on the statement.

Mayor Lee, asked if he meant by his statement that he will prevent the bingo from operating again, said "That is it."

Saturday night's game was a revival of a regular program of bingo games conducted at the American Legion Hall several years ago.

Robert Douglas, commander of the American Legion post which conducted the bingo game, could not be reached concerning further plans.

The game Saturday night played to a crowd of several hundred persons. Generally, county officials have ruled bingo games and raffish by voters' groups and charitable organizations as illegal. State's attorneys of Madison, St. Clair and Monroe counties agreed on such a ban a year ago and received support of area law enforcement officials in their stand.

At Edwardsville, State's Attorney Leon Scroggins said his office "will prosecute any complaint filed against any type of gambling operation." He said that the policy of his office is to act upon any complaint that is filed, and that "you can rest assured that bingo will not operate if a complaint is filed with us."

Sheriff George Munoz commented: "It's illegal, but at the moment it is up to Venice authorities to close it. Our policy is that in instances where no action is taken against law violations, the sheriff's office will notify the police department and suggest that it act. If the police fail to do anything, then the sheriff's office will step in." Munoz said he did not know if a bingo game was planning to open and was unaware that it had.

Rejection of the city's MFT maintenance programs should be ready to go by March 1 to meet a state highway department scheduled to have a meeting to start its summer program with its own funds until MFT funds are allocated.

Reject IML Tax Plan

Council members rejected a recommendation by the Illinois Municipal League that city support of municipal tax package bills including proposals for boosts in sales tax, liquor taxes, cigarette taxes and placing on receipts of hotels and motels.

Several aldermen opposed the package, while Mayor Partney urged support of at least a portion of it to provide added income for the city to replace the \$280,000 in taxes lost in the recent emergency bond issue. Butler tax rate limitation bill, which cut city tax rates.

Opposition was voiced by Aldermen Noon, Robertson and Moore. Noon objected to a further increase in present four-cent sales tax that includes 3 1/2-cent and 1/2-cent city tax. Fry pointed out that whatever the legislation was, it would still take council action to increase any of the taxes, and he urged support of the bills. "If we keep spending as we are now, we'll need them," he added.

Moerlein commented that the city had no way of knowing how the legislature would write the bill and that the city's hands might be tied to proceed with such increases. He urged opposition to the entire tax bill package.

Moerlein remarked that cities were given the half cent municipal sales tax on the theory that property taxes would be reduced. "Very few cities have done that," he said.

Opposition to the Illinois Municipal League's tax package was voted 12-0-2, with only Sternberg and Fry supporting it. Sternberg commented it was unrealistic to oppose such measures. Senate committee hearing on the IML proposal was held yesterday in Springfield.

Turn Down Bill Payment

Also voted down by the council was payment of \$346 to Royal Chemical Co. for insect spray materials. The firm notified the city by letter that the bill had been due since June, and that legal steps would be taken if payment was not made. This month, Alderman R. Rutledge, chairman of the Finance committee, motioned for payment.

Leading opposition to the payment was Alderman Robertson, member of the Sanitation committee, who said he welcomed legal action. "The city has claims of \$1200 against the company," Robertson said. He called for rejection of Rutledge's motion, and asked that the bill be referred to the city attorney. His request was approved.

Permission was given John Hildebrandt, superintendent of sewerage treatment plant, to attend a three-day conference of the Missouri State Water Pollution Board, starting Monday. He was allotted \$38 for registration and other expenses.

Sewer Engineer Contract to be Ready Next Week

Preparation of an engineering contract for Granite City's overall sewerage program is expected to be ready by next week's council session, it was reported Monday night by Mayor Sternberg, chairman of the Special Sewer committee.

Sternberg recommended the Housing and Urban Development Agency be notified that the city is ready to proceed with the \$1,500,000 grant award for last November. However, Mayor Partney said he will send the notice after next week's meeting.

The committee has agreed upon selection of H. W. Lochner Co., Chicago, for the multi-million dollar, city-wide program, which will include the preparation of ordinances to call a special bond issue election for May 6.

Also to be prepared is a contract with the local consulting firm of Charles F. Trautwein, St. Louis. Two weeks ago, the council authorized the preparation of ordinances to call a special bond issue election for May 6.

Sternberg said the contract with H. W. Lochner Co. to serve as the city's bond attorney also should be signed by next week. With that assurance, the council could pass a resolution, deferred two weeks ago, ordering the mayor to sign the contract.

Other engineering contracts are renewals of the city's contracts planned for Research Planning & Design Associates, St. Louis, that serves the city as motor fuel tax and also consulting engineers.

Alderman Sternberg, who also is chairman of the Street committee, said he would refer the contracts to the committee, but upon protest by Alderman Johnson, the council would defer the renewal contracts to be prepared for presentation next week.

The engineering firm advised the city that MFT maintenance programs should be ready to go by March 1 to meet a state highway department scheduled to have a meeting to start its summer program with its own funds until MFT funds are allocated.

Rejection of the city's MFT maintenance programs should be ready to go by March 1 to meet a state highway department scheduled to have a meeting to start its summer program with its own funds until MFT funds are allocated.

March 6 is Registration Deadline For Town Voters

Persons qualified to vote but still unregistered have only until March 6 to register for April township elections, it was reported today as deputy county registrars prepared to conduct special registration periods Friday and Saturday.

Registered voters who need to file change of address or change of name by marriage, divorce or other court order also must do so by the March 6 deadline if they wish to vote in the township elections.

Registration is required to be eligible to vote in township elections this year under recent changes in the state election laws, it was stressed by Miss Eulalia Hotz, county clerk.

In the April 4 city and park elections, voters need only to register by affidavit at the polling places when they appear to vote.

Special registration centers scheduled on this weekend for convenience of residents of the Quad-City area include:

Granite City—The City Grocery at Bellemeo Village Shopping Center, Saturday 1 to 8 p.m.; Maryland Bi-Rite Market, 2209 Pontoon Road, Saturday 10 a.m. to 5 p.m.; Cohen's Food Market, 2301 Illinois avenue, Saturday, 10 a.m. to 6 p.m.; Anchorage Homes, Saturday 10 a.m. to 5 p.m.

One in Madison

Madison—West Memorial Center, Third and Washington, Friday 11 a.m. to 6 p.m.

Madison—The Food Market, Saturday 10 a.m. to 6 p.m.

Nameoki Township—State Park Plaza School, Saturday noon to 7 p.m.

Venice—Library, Monday through Friday, 1 p.m. to 6 p.m.; Violets Jones Homes, Saturday 11 a.m. to 6 p.m.

Three additional registration centers will be open on Saturday, March 4. They will be located in Granite City at Griggs' Bi-Rite store, 4055 Pontoon road, noon to 5 p.m.; Kirkpatrick Homes Recreation Center, 10 a.m. to 5 p.m., and Louie's Store, Maple

meat of \$209 to the Illinois Municipal Retirement Fund as the city's share of the amount due for Street Supt. William Ward for the period June through December 1957. Wardfield also is to pay his share. The payments were not made due to an oversight, it was noted.

No Car Theft Ring Here, GC Police Statistics Show

Claims made in Alton recently that Granite City is the center of an auto theft ring utilizing juveniles were refuted this week by Granite City police who pointed to their crime statistics.

During 1966, a total of 232 autos were reported stolen and only 13 were not recovered, indicating that in most cases the autos are being taken by juveniles for joy rides and then parked.

Twenty-three cars were stripped to various extents. Twenty-two of the case were unfounded, and 213 cars were recovered. Eight of those stolen were involved in accidents. Twenty-eight were cleared by arrests.

So far this year, 57 autos were stolen and 48 were recovered, with parts stripped off nine. Five have not been recovered. Six were cleared by arrests, four were in accidents and four reports were unfounded.

For the six-month period from Aug. 20 to Feb. 20, 198 autos were reported stolen, and 118 were not recovered while 158 were returned. Twenty-one had parts stripped off. Thirty-one cases were cleared by arrests, nine were in accidents, and one was "manufactured."

When apprehended, juveniles are handled by local and county juvenile authorities. Illinois authorities have stated that "joy rides" do not constitute auto theft.

Chief of Detectives George Teller, when first informed of the claims, called them "a lot of malarky." Police Chief Ronald Velzer felt that the Alton reports were not based on facts but were "manufactured."

Craft Day for Homemakers Unit

The Trio unit of the Madison County Homemakers Extension Association held a "craft day" Tuesday at the Hope Lutheran Church. A sack lunch was enjoyed and desert and coffee were served later.

Mrs. Mary Markham, craft chairman, assisted by Mrs. Ruth Brue, chairman of the unit, conducted the activities. Mrs. Ivan Graklanoff, membership chairman, was in charge of preparation of favors for the annual meeting.

A display of all crafts made during the past year was arranged on one table. The craft for this meeting was "painting with fabric." The members worked alternately on the two projects.

On March 7 at Hope Lutheran Church, Mrs. Catherine Mauck, county home advisor, will present the major lesson "Tools and Supplies to Keep the House Clean."

Others attending were Mesdames Shirley Meyer, Helen Miller, June Lux, Rose Stearns, Hulda Klug, Villa Klings, Mary Lewis, Naomi A. Kinney, Sara Huber and Jerry Short.

Easter Project By County Salon

Madison County Salon 33 of the Eight and Forty-two guests evening at the Venice-Madison American Legion Home, with Chapeau Norma Hillmer presiding.

Several members will attend the Spring Pouter April 1 and 2 in Glenellen, Ill. Early Easter toys will be sent to the Municipal Tuberculosis Sanatorium and the children's Memorial Hospital, both in Chicago.

Tentative plans were made to entertain the Department Chapeau May 12 at the Mineral Springs Hotel in Alton.

Lunch was served by Mary Ballentine and Zelma Hart and games were played.

Others attending were Mesdames Frances Cowley, Marie Leffer, Kathryn Fellers, Jean Cummings, Andrew Brown, April Holman, Leona Best, Violet Neunaber and Misses Dorothy Hinson and Fannie Ullrich.

Washington Party For GOP Women

The Day Unit of the Granite City Republican Women's Club observed Washington's birthday with a party Wednesday afternoon in the home of Mrs. Bruce Workman, 2409 Washington avenue.

Mrs. Joyce Glasgow, president, announced plans for 1967 and asked for the cooperation of all members in all of the club's activities.

Mrs. Ida Hanfeler discussed the planned Junior College District about to be organized in this area and announced April 1 as the date set for the election.

Mrs. Pearl Thompson gave a brief report of the recent visit in this area of Senator Dirksen and plans were made for the April meeting of the club to be held in the home of Mrs. Sally Segar with Mrs. Hanfeler as co-hostess.

Nameoki Parents View Gym Skills

Physical education skills acquired at each grade level were demonstrated for the Nameoki PTA Tuesday night by students and Miss Eugenie Wetzel, physical education teacher.

Past presidents were presented gifts in connection with Founders' Day. President Eugene Monahan presided and Miss Mary Tenekel reviewed past PTA accomplishments. Third grade room members served refreshments.

WELCOME WAGON CLUB TO HEAR PARK SUPT. BROWN
Mrs. Harriet Lovins, president of the Welcome Wagon club, has announced that the next meeting will be held next Monday at 7:30 p.m. at Hope Lutheran Church.

Park Supt. Harold Brown will speak on park district activities and progress of the kindergarten program. He will demonstrate a "spin art" in which the members will participate.

Refreshments will be served. All newcomers to this area are being invited to attend; and for more information Mrs. Lovins may be contacted at her home, TR 7-8936.

Harry Thebeau Cited For Insurance Sales

Harry A. Thebeau, 1511 Fifth street, Madison, has become the first State Farm Insurance agent in the Madison-Jersey counties district to top \$1 million in yearly life insurance sales. It was announced today. He totaled \$1,037,337 for 1966, including \$169,000 during the Dec. 28-29 period.

Affiliated with State Farm since May 1946, Thebeau was praised by the firm as "theoretically too busy" to receive sales a life insurance volume because of the size of his auto and fire insurance agency.

Minister and Educator

JOHN W. ALLEN

Southern Illinois University
 Leaving through discarded school texts, particularly one used in more years than any other, is a hardy fact to arouse a nostalgia. This time it was a copy of Harvey's Advanced Grammar, that began a nostalgic journey. This copy was obtained from Ben Gholson, at the opening of the 1961 school term at Hardacre and paid for by stripping a sash.

In addition to guiding youngsters along the path of grammar, Harvey included many quotations of varying length. These tidbits of wisdom were to guide and admonish pupils. They also served as passages to be analyzed and arranged in diagrams on the blackboard, all according to the system played by a grammarian named Irish.

One of these offerings said, after them:
 "The evils that men do live the good is often interred with their bones."
Legends Live On
 Since legends are of interest, we felt to thinking of those whose legends live on. In many cases it proved to be true that it was the evil that lived on and was most remembered. The worst was, the more legend he left.

This maxim is not always true however. Some good and gentle men working toward better ends have become legends. Such a one was the Rev. Clark Braden, prominent Christian minister and educator of southern Illinois.

It was the Rev. Mr. Braden who helped fully as many other men in establishing Southern Illinois Normal University. This college through successive changes became Southern Illinois University. Calling him to mind made us want to know more about the man.

Much of the following information is in a 1942 letter written by the Rev. Braden's son, Blon, then 24 years old. From it we learn that Clark's grandfather brought his seven sons and two daughters to America from County Armagh, Ireland, in 1804.

The youngest of the Bradens sons was four-year-old Robert Anderson. When grown up, Robert married Jeannette Clark, also of Irish descent. Clark, third of their 13 children, was born in Ohio and later married Sarah Maria Northway of Holland-Dutch and Oneida Indian stock.

Laborer and Student
 As young man, Clark alternated between being a day laborer and a student at College Hill Seminary, Cincinnati, where he was graduated after the birth of his second child. From Cincinnati he moved to Elgin, Ill., where he and Mrs. Braden taught in Wheeler Academy until the Civil War. Braden then enlisted in the 127th Illinois Volunteer Infantry. After active service in the vicinity of Vicksburg, he was sent to the hospital at Holly Springs, There, he was captured and paroled by General Van Dorn's men.

Upon his return to Elgin, Clark was elected county superintendent of schools for Kane county. He left that office to become principal of East Side School in Centralia and to serve as pastor of the Christian Church there.

From Centralia the Bradens moved to Carbondale in September 1868. Here, he became president of Southern Illinois College which was then located on the grounds where Lincoln High School now is. Mrs. Braden became preceptress.

Apparently a restless and wandering educator, the Rev. Braden made his most successful halt in Carbondale. Here, he opened a college that had been chartered for DeSoto, six miles north. When Carbondale College, founded by the Presbyterians, became insolvent and its property in Carbondale was offered for sale, the Christian Church bought it on Sept. 8, 1866, and Rev. Braden became president. Opening of the school was announced for Oct. 6, 1866.

When Braden and five students

met on that day, it was decided that a clean up program was in order. The opening accordingly was delayed a week while all gave a hand to make the place usable.

On Monday, Oct. 13, 1866 the school began. Eight additional students appeared to make the total enrollment thirteen. (No supporting evidence here.) During the fall term enrollment reached a total of 54 and increased the winter term to 75. During the first year 142 individuals were enrolled. During the second year, 1867-1868, a total of 315 enrolled. Exact figures are not available for the next year. Apparently there were 370 individuals enrolled during the year.

The students produced school plays, published at least four literary journals and had formal commencements, one being addressed by General John A. Logan.

State College Formed
 All the while Braden had strongly advocated a state school at Carbondale. When assurance of its establishment came, Southern Illinois College closed. Why support Southern Illinois College when the state was to supply its need? It was a good 20 years before the state of Illinois Normal University grew to equal the deceased Southern Illinois College.

Braden remained in Carbondale until June 1870 when he went to Pawnee City, Neb., where Mrs. Braden died. He taught in a private school there until June, 1872. This school became Center University.

After that he served as pastor of Christian churches at Bloomington and Perry, Ill. He next moved to Abingdon, Ill., where he served as president of the Christian College until 1873. At another time he was president of Christian University at Alpha, Ill., and later he served as pastor of the Christian Church at Meador, Canada.

Braden was the author of several books, pamphlets, and newspaper articles. He also was a great debater on doctrinal and theological subjects with almost anyone who would debate. In his last years he went to live with his youngest son near Mills City, Calif., where he died in 1912.

Proclamation

WHEREAS, The University of Illinois was founded on Feb. 28, 1867, as the state's Land-Grant Institution and will be celebrating the centennial of this event during 1967 and 1968; and

WHEREAS, During the century since its founding, the University has risen from its humble beginning as the Illinois Industrial University to an institution of national and international reputation for excellence in the arts, sciences, humanities, and professions, and for leadership in educational policy; and

WHEREAS, The University of Illinois has steadily grown in size and stature, rising to the greatest challenges in providing quality education for increasing numbers in a broad spectrum of studies while maintaining the highest standards in research and service; and

WHEREAS, The more than one-third of a million alumni, in all parts of the world, look forward to a distinguished future of continued excellence in education, research, and service by the University, be it therefore

RESOLVED BY THE MAYOR OF GRANITE CITY, on behalf of the City of Granite City, express to the University, its administration, faculty, students, and alumni, our congratulations in this its centennial year and our hopes for continued success in every endeavor, and that Feb. 28, 1967, be officially proclaimed the City of Granite City Day in Granite City, Illinois.

1961 Voters Adjust Registration Records

Reinstatement applications have been received from 1691 registered voters at the office of Miss Estelle Hotz, county clerk.

Miss Hotz said today that 114 voters reported a change of address and 169 applications were returned by the post office as undeliverable.

There were only 40 cancellations by marriage, death or by having moved out of the county. Miss Hotz said there still are more than 2000 who have failed to request reinstatement.

She mailed notices of suspension on Feb. 3 to 429 registered voters who have failed to vote in a county-wide election since 1960. This is one of the mandatory provisions of the law which enables the county clerk to purge the records of persons no longer eligible to vote in the county.

Miss Hotz advised that the deadline for requesting reinstatement is March 3. Some voters, so notified, may be confused because they have a voter's card (card of identification (pink card) with the expiration date of July 31, 1968, she said.

This has no bearing on their voting status, she said, and the notice of suspension must be returned to effect a reinstatement.

200 Heart Fund Volunteers To Conduct Drive Sunday

This Sunday, over 200 Quad-City Heart Fund volunteers will conduct a house-to-house fund drive from 1 to 6 p.m. culminating fund activities for 1967.

Mrs. Elvira Thurber is general chairman for Sunday's drive, with Mrs. Sandra Cavar heading the search by the Heart Fund at the Mitchell area.

Pete Schermer, Quad-City area vice-chairman, reviewed the history and accomplishments of the Heart Fund at a recent meeting of volunteers.

"Since its inception in 1940, more than \$120 million collected by heart fund volunteers has un-

derwritten every present-day blood vessel disease. And, despite a 5% increase in deaths from heart attack among men between the ages of 45-54 years old, this age bracket has enjoyed an overall improvement of about 7% in its mortality rate from all heart and circulatory diseases.

"Still, death from heart and blood vessel diseases is larger than all other diseases and causes combined," he concluded, "working towards a Quad-City goal of \$10,000.

Music Clinic, Festival Planned at Church

Mrs. Audrey Meier, a well-known composer, will conduct a clinic and festival of music at First Assembly of God Church, 24th street and Grand avenue, Friday and Saturday at 7:30 p.m.

Mrs. Meier is also an arranger, director, and keyboard artist, with a background in public school operettas, choral work and harmony training. She is an ordained minister and choir director.

As a minister she has been a guest in many churches of various denominations all over the U. S., and as a musician she has directed her own choirs in such auditoriums as the Los Angeles Culiseum, the Hollywood Bowl and the Shrine Auditorium.

Friday night will be a music clinic night when Mrs. Meier will help in the area of church music. On Saturday there will be a "sing-along with Audrey" night. Guest soloists and groups from the greater St. Louis area will be present and participate in a "community" type sing as Mrs. Meier directs from the piano. The evening will be climaxed with a large choir made up of members from many churches in the area singing and the directors arrangement of "How Great Thou Art," the pastor, Rev. J. Boyd Wolverton, said.

On Sunday night Mrs. Meier will appear as guest speaker and musician and will be featured with the Sanctuary Choir of the church at 7:30 p.m. The public is invited to attend all three nights. Don L. Stover is minister of music at First Assembly of God Church.

Lt. Col. Hayes of GCAD Gets New Assignment

Lt. Col. Stephen H. Hayes of the Granite City Army Depot, has been assigned to the Army Mobility Equipment Command, St. Louis. He will serve as project officer for Army power generators.

A native of Oregon, Col. Hayes entered the Army in 1941. His military service includes duty with the combat engineers during world war II. Among his overseas assignments are France, Korea and Vietnam. The Vietnamese government awarded the colonel the First Class Medal of Honor.

Farm Column

By Warren W. Rudy
Madison County Farm Adviser

Farm Land Prices

Farm land prices have increased steadily the past several years but may level off in the future.

Madison county is one of seven Illinois counties in which land prices increased more than 60% from 1959 to 1964, reported University of Illinois farm management adviser Emil Mosser last week at the Madison county farm business management school.

Farm Management Specialist Franklin Reiss said at a recent farm tenure meeting here that in spite of many opinions to the contrary, he expects very little if any increase in farmland prices in 1967.

Reiss gave the following reasons and opinions in support of his observation: "The farm is on a run, it is cheaper for farmers to rent land than to own it, largely because the tenant does not have to pay for all the benefits of ownership. Only a restricted number of people can meet the current financing requirements for buying land. There is less optimism now about our ability to produce continuously rising crop yields. Finally, capital gains at past rates are not likely to occur in the future."

Reiss believes land has been bought in the past with the expectation of an increase in its value, and he questions the certainty of future increases. At present prices, the earnings derived from land are not great enough to pay for that land and of themselves.

High interest rates, which are not likely to come down in 1967, and rising property taxes represent important increases in the costs of owning land.

Wage rates for hired farm labor are increasing as employers of farm labor face more competition from nonfarm employment opportunities. The same factors will cause tenants to set a higher wage on their own labor and management contributions. Several other farm operating costs are rising.

Reiss believes this final reason may be most significant in its impact on the investor and on speculator buyers. Land prices in Illinois more than doubled from 1950 to date. Dollar-wise, the increase was about \$245— from \$175 to about \$420 an acre in Illinois. On a compound interest basis, this was a capital gain about 5.5 percent annually.

If the same dollar increase of \$245 an acre is projected for the next 16-year period, the rate of capital gain will be only 2.75% annually—or a total return of not much more than the mortgage rate when a 4% operating return is added. In other words, it will take a capital commitment of more than \$2 in farmland now to effect the same capital gain that \$1 did over the past 16 years. In the future, farmland buyers will have to capitalize current earnings at much nearer the mortgage rate, Reiss concluded.

Profitable Ewe Flocks
Gary Ricketts, sheep extension specialist, said at the recent Madison county sheep school that to be efficient and highly profitable, the ewe flock, like any other enterprise, requires good management.

He said the production records for 107 Illinois flocks show gross returns per ewe ranged from a high of \$56.72 to a low of \$18.18, a difference of \$38.54. Five flocks had gross returns of more than

\$50 per ewe, and 24 flocks returned more than \$40 per ewe. On the other hand, six flocks returned less than \$25 per ewe. Well-managed sheep flocks show good profit returns, and Ricketts thinks flock owners should compare the results with those of top profit flocks rather than with averages.

Importance of Wills

Agricultural Law Specialist John Henderson, giving advice on wills and estate planning, is urging everyone to have a will made by a competent lawyer, keeping in mind desired objectives in estate planning including inheritance and estate tax planning.

FFA and 4-H members from all over the state are expected to be on hand for the 19th annual Illinois 4-H and FFA dairy calf sale Saturday, Feb. 25 in Urbana. The sale begins at 11 a.m. in the University of Illinois Stock Pavilion.

Sixty-one top-quality dairy calves have been consigned to the sale, representing six dairy breeds. The calves are for sale only to 4-H and FFA members for their projects.

Area January Employment Shows Increase Over '66

Employment in 63 reporting industrial and business firms in the Quad-City area totaled 18,783 during January, an increase of 1177 over the total January employment of 17,627 in the same firms a year ago. The January total represented a seasonal winter employment drop of only 236 below the 19,054 persons employed in the same industries in November.

In the manufacturing field, 24 firms reported total employment last month of 14,182 workers, compared to 13,475 in January 1966 and 14,489 last November. These included 12,830 January workers in 12 durable goods industries which report employment records to the Illinois State Employment Service, and 1322 employees in 12 nondurable goods firms. In January a year ago employment rolls were 12,560 and 915 respectively.

The remaining 39 reporting firms in the nonmanufacturing field reported total January employees of 4646, compared to 4152 in the same month a year ago, and 4585 in November.

Of the 12,830 employees in the durable goods field, 11,006 of them were employed in the primary metal industries. This is an increase of 679 over total

employment of 10,327 in the metal industries in January, 1966, but a decrease of 241 below November's employment.

At the nonmanufacturing level, the report submitted by Malcolm Thompson, manager of the Illinois Employment Service, showed 589 persons employed in 15 reporting retail trade firms, compared to 621 employed in January, 1966, and 597 employed in November.

The report showed 632 employed in two reporting units of professional, educational and related services, compared to 584 in January a year ago. Government employees in three reporting units totaled 1596 workers, jobs

Weapon Charge Filed

Larry Davis, 25, of 2702 1/2 Iowa street, was arrested at 7:40 p.m. Monday at the Tip Top tavern, 1746 State street, on a charge of unlawful use of a weapon. Police said he wielded a five-shot .38 caliber revolver while in the tavern.

compared to 1548 during the same month a year ago. There were 1383 employees in government work in the three units in November.

The report also shows an anticipated seasonal increase in employment for March, with an expected total of 19,187 employees in all 63 reporting firms, 14,137 of them in the manufacturing field, 4570 in the non-manufacturing field and 2135 in government units.

Most Veteran Benefits Are Tax Free, VA Says

Most veteran benefits are tax-free and need not be reported on income tax returns, the Veterans Administration reminded former servicemen and women.

However, interest earned on GI life insurance dividends left on deposit with the VA is not classed as a benefit but as earned income and must be reported on tax returns. Dividends of GI policies and the dividends are non-taxable and need not be reported.

Other VA benefits not taxable include education and training allowances, subsistence allowances for disabled veterans in vocational rehabilitation training, com-

penation and pension payments, grants for "wheelchair" homes, automobiles and all benefits to families of deceased veterans.

Man Bound Over for Battery, Freed on Bond

Charles T. Howland, 23, of 1200 (rear) Rhodes street, was bound over to the Madison county grand jury Monday by Magistrate Hiscott on a charge of aggravated battery.

The complainant is Mrs. Fairfield, who was hospitalized with injuries after the arrest two weeks ago. Howland was released on \$10,000 recognizance bond.

Jobs Open For Missile Guidance Employees

The Newark Air Force Station at Newark, Ohio, has announced openings for Repairers W-7 and W-8, in various operations in repair of missile inertial guidance systems.

The Air Force station repairs inertial guidance systems of the Titan and Minuteman ballistic missiles and the inertial navigational system of the F-4 Phantom jet fighter aircraft. The position offers excellent opportunity for advancement, the announcement said.

Positions open are for repair of inertial platforms, inertial gyros, inertial guidance digital computers, electronic chassis, and electronic test equipment. Pay rate begins at \$2.56 per hour for W-8 workers, and at \$2.75 per hour for W-7 workers. Most positions are at the W-8 level. Detailed information is available at all first-class post offices, at state employment service offices, or from the Board of U. S. Civil Service Examiners, Newark Air Force Station, Newark, Ohio, 43055.

Singleton Exhibit At St. John Church

Gilbert Singleton, a local artist, will exhibit several of his religious paintings and sculptures Sunday morning at St. John United Church of Christ, 2901 Name-ohi road.

The collection will feature a painting of the Crucifixion in a setting of nature. Creations in sculpture will include: "A Glance at an Angel," "The Death of a Moralist Church," and "The Posture and Profile of Modern Man."

In an attempt to interpret the meaning of the sculpture on modern man, Rev. Paul Surbey, pastor, will speak on the subject: "Examining My Own Posture and Profile." The public is invited to view the collection and to meet and talk with the artist on either the 8 a.m. or 10:20 a.m. service.

SIU Given \$4500 for Mobile Craft Workshop

A \$4500 grant from the Sears-Roebuck Foundation has come to the Southern Illinois University Foundation, Carbondale, to construct a mobile craft workshop, the fourth in a series of mobile wagons built and toured for community use throughout the area by SIU's recreation and outdoor education department.

"This is the second mobile wagon the Sears foundation has financed for us," said Kenneth R. Miller, foundation director. "A faculty council is currently considering adoption of the recommendation."

The AAPU recommended that advisory student representation be allowed on the board of trustees and the faculty council, and that students have a vote in the university council.

All decisions by the appeal board would be considered binding, and hearings would be public unless the appellant could show good reason why they should be private. Litigants in an appeal would have the right to any counsel of their own choosing.

The board, it is proposed, could not refuse to review any appeal involving severe punishment, as expulsion or suspension from the university, withholding of degrees or transcripts, attaching reprimands to transcripts or levying fines of \$50 or more. Review of other appeals would be at the discretion of the board.

The recommendations state board should contain more faculty than student members.

The AAPU at Carbondale also recommended that a student judicial committee be created, and that any student charged with an offense be given the opportunity to have his case considered by the appropriate student judicial committee or to have the right of one appeal per alleged offense from an administrative official to a student judicial board.

The appeal board would guarantee due process in violations of any disciplinary university regulations.

Student Roles in SIU-SW 250 Housing Units Boards Being Considered May Be Built

Construction of 250 apartment-style housing units at the Southern Illinois University-Southwestern campus may begin in 1968 if plans are approved by the SIU board of trustees and the Illinois Board of Higher Education.

The units would hold up to 500 residents in the first phase of building, according to John S. Rendelman, SIU vice-president.

The first units would be primarily for graduate and young married students and young faculty members. Construction of housing later would be for single undergraduate students over 21 years old.

Rendelman said approval by the two boards is needed because cost of construction would exceed a half-million dollars.

John Randall, campus architect, said tentative sites have been chosen, due north of the academic core on a 15 to 20-acre tract on the northeast shore of utilities reservoir No. 1. It would contain an informal arrangement of low rise buildings of variable sizes.

The row and cluster arrangement would provide an informal, livable natural environment for the residents as opposed to the high-rise cellular or barracks-type housing, Randall said.

The housing would offer a lake-front effect including apartments with two and three bedrooms. Rendelman said rent should compare to off-campus housing, hopefully not more than \$100 per month.

The project would be financed through revenue bonds retired through income from rent.

Cpl. Gary Hildreth
Receives Promotion

Cpl. Gary Hildreth of Madison was recently promoted to his present rank from lance corporal in Chu Lai, Vietnam, where he has been serving for the past eight months, according to word received today by his mother, Mrs. Louise Hildreth, Apt. 32, Garouche Homes, Madison.

A graduate of the Madison high school, Cpl. Hildreth has been serving with the Army since November 1965. He received his promotion Feb. 11.

60 Area Student Winners in State Scholarship Program

A total of 10,540 students in Illinois, including 60 in the Quad Cities, have been named winners in the 1967-68 State Scholarship Program.

Dr. Lloyd S. Michael, chairman of the Illinois State Scholarship Commission, announced that 491 students have been offered monetary awards totaling \$3,015,354, and 4481 students have been granted honorary awards. The remaining 148 students rejected award consideration by choosing out-of-state or unapproved institutions.

Regardless of college choice, each winner will receive a Certificate of Merit in recognition of achievement in the program and potential for higher education, based on high school record and performance on the qualifying examination.

Of the 103 Illinois institutions approved by the Commission, 57 have been selected by the winners for September, 1967, enrollment.

More than 36,600 high school seniors completed for 1967-68 earlier than September 1961. The State Scholarship, 84% of all Illinois high schools have winners in this year's program. This is the 10th class of winners to be announced. State Scholarships are renewable annually upon application requirements have been

mailed to all Illinois high schools. Information about the State Scholarship Program is available from Illinois high school guidance counselors and principals, or by writing to the Commission, 720 Waukegan road, Deerfield, Ill.

Awarding Method

Dr. Joseph D. Boyd, executive director of the commission, explained the process by which awards are determined. Students must be U. S. citizens and Illinois residents of good moral character. After academic qualifications have been met, qualified participants submit their applications for award consideration.

Monetary awards provide full or partial payment of tuition and fees to a maximum of \$1000; honorary awards provide an opportunity for monetary assistance in subsequent undergraduate years if the need arises. A detailed need analysis is applied against the data submitted by the monetary award applicant, and includes the specific cost of the approved institution selected by the student.

A committee, experienced in the area of financial aid, assists in the evaluation of financial need. Students wishing to participate in the 1968-69 State Scholarship Program must be high school graduates by August 1968 and no later than September 1961.

Qualifying examination will be administered by the American College Testing Program on the dates: Saturday, May 13, and Saturday, Aug. 5. Bulletins explaining the eligibility and application requirements have been

Marshall, known for his research in molecular science and currently a consultant for the Southwest Center for Advanced Studies, at Dallas, Tex., will come to Southern for the fall, winter and spring quarters, 1967-68. He will work in the office of academic affairs, with Vice-President Robert W. Mac-

Charles M. Rice and S. Lewis Land will teach upper level courses in industrial technology in SIU's School of Technology, replacing faculty members assigned to an AID project in Nepal.

Rice was head of industrial education at Western Washington State University for 24 years before retiring last year. Land, also retired, was a long time department chairman at Pennsylvania State University. Most recently, he served as an industrial education consultant in India for Ohio State University.

MHS Band Concert To Be Held Tonight In Auditorium

The Madison high school band will present its second concert of the season at 8 p.m. today in the school auditorium under the direction of William Ledbetter.

The program will include the "Chester Overture" by William Schuman, a contemporary work based on a hymn of the American revolution, themes from Ippolitov-Ivanov, "March and Procession of Bacchus" by Delius, "Black Canyon of the Gunnison" by Erickson.

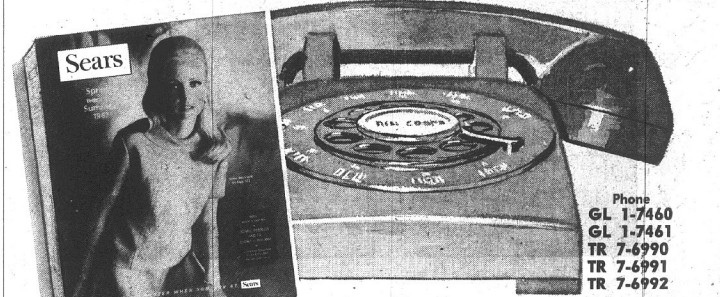

"United We Stand," a medley of patriotic and war melodies arranged by Al Hayes; and other marches, including the "Black Horse Troop" by John Phillip Sousa and "Colonel Bogey" by Alfrod Ledbetter said other light selections also will be featured.

Mercer-Owensby Team Win 1st in Skating

Keith Mercer and Sue Owensby received first place awards in the junior dance division at an inter-club skating meet in St. Louis last weekend.

Their ordinal readings were one, one and one, meaning each judge rated them first.

Erna Meyers received a first place trophy in ladies' figure skating. Jo Ann Myers and Gary and Washington elementary schools. In addition, a ninth grader from Coolidge junior high school has entered.

Judging will be held at 10 a.m. Tuesday. Judges are William Thoeke, Fred Williams and Ray-

mond Henley. Winners will advance to the St. Louis Science Fair on April 15.

Entries will be in two categories, physical and biological sciences. Certificates will be awarded to first, second and third place winners. An honorable mention list also will be formed.

The exhibits will be on display from 10 a.m. to 8 p.m. daily at the church hall. In charge of the event are Mrs. Patricia Mueller and John Sikora, members of the Central JHS faculty.

Two Area Sailors Observing Anniversary

Two area sailors are helping the U.S. Pacific Fleet Service Force celebrate its 25th anniversary this month. They are Seaman Apprentice Garry L. Leonard, 4609 Kirkpatrick Homes, and Radioman Third Class Joseph W. Wilkinson, nephew of Mr. and Mrs. Joseph W. Ba-

grath, 129 Fourth street, Madison, serving aboard the gasoline tanker Kishwaukee.

The force supplies naval forces afloat and ashore within an area equal to nearly half the earth's surface with food, fuel, ammunition and other essential items. It also offers salvage assistance and ship repair services.

New SIU Television Station Approved

The way is now clear for Southern Illinois University, Carbondale, to construct an educational television station at a site eight miles west of Olney.

Bureau C. Robbins, director of the SIU Broadcasting Service, said final approval has been granted and all now goes according to plan the station should be on the air by September.

The station, WUSI-TV, will operate on UHF Channel 16 and will greatly extend the area of coverage of the university's parent station, WSUTV, Channel 8, in Carbondale.

SIU Names Consultants For Athletics Study

Southern Illinois University has named three prominent consultants who will help determine the school's future course in athletics.

They are one-time amateur star Charles "Chuck" Evans, University of Michigan athletic director H. O. "Fritz" Crisler and John Ashton, former dean of the graduate school at Indiana University.

All three will visit the campus, survey the SIU sports program and talk to coaches, administrators and members of the University Study Commission on intercollegiate athletics. John Voight, chairman of the commission, said Crisler will be the first to visit, on March 16.

SIU has launched a broad study to assess the place and scope of sports in its overall program. Questions to be probed include emphasis on various sports, conference affiliation, NCAA scholarships and sports at the new Southwestern campus.

As a start, an opinion survey is being made of 65,000 alumni, students and faculty members.

The "superboard" of consultants was designed to include outside evaluation from a former athlete, a coach or athletic director, and an educator.

Crisler, a coaching product of the famed Alonzo Stagg, became known as the dean of Big Ten coaches during a long career at Michigan before stepping up to the athletic directorship there.

Evans, who performed the unusual feat of winning both U.S. open and U.S. amateur golf championships in his playing days, is now a Chicago businessman and heads the Evans Scholar's Foundation, which he founded for the education of golf cadettes.

Ashton, now retired, taught English at a number of colleges including Indiana, where he was also dean of the College of Liberal Arts and Sciences before being named to head the graduate school. He has a Ph.D. from the

University of Chicago and is a native of Lewiston, Me.

Radioman Serves Aboard Top Coast Guard Cutter

Radioman Third Class Ronald L. Selph, U. S. Coast Guard, son of Mrs. Mary L. Selph, 1929 Grand avenue, contributed to his ship being selected as the top Coast Guard cutter in the North Atlantic for 1966 while aboard the high endurance cutter McCulloch which is homeported in Wilmington, N. C.

The McCulloch performs ocean station patrol duty in the Atlantic ocean and has a primary mission of search and rescue. While manning an ocean station, she provides communications and navigational service to aircraft, conducts meteorological and oceanographic observations and stands ready to provide required rescue assistance at sea.

Enrollment up 14 1/2% At Illinois State U.

Illinois State University recorded a 14.5% increase in second semester enrollment over a year ago with a total of 988 students registered, it was announced following the close of late registration.

Most of the increase of 1207 over February of 1966 is at the junior, senior and graduate levels, with the freshman class actually 334 below that of a year ago, primarily as a result of ISU's early limitation on freshman applications.

SOCIETY

Opti-Mrs. Club Elects Officers

Officers for 1967 were elected by the Noonday Opti-Mrs. Club at a monthly meeting at the Rose Bowl Monday.

The staff will include Mrs. Merl Jennings, president; Mrs. John Kirchoff, vice-president; Mrs. David John, secretary, and Mrs. Donald Farrington, treasurer. On the board of governors will be Mrs. Michel, the retiring president; Mrs. Elmer Branding, and Mrs. Henry Gabriel.

Mrs. Michel called the meeting to order after luncheon, and Mrs. Harry Odum read the Optimists creed.

Twenty-seven were present at the meeting, including one guest, Mrs. Jack Dempsey. The hostess committee was composed of Mrs. Jennings, Mrs. John, Mrs. Kirchoff, Mrs. Odum and Mrs. David Parrish, and after the business hour there were games, the prizes going to Mrs. C. A. Pauly, Mrs. E. E. Vehl, Mrs. William Triebes, Mrs. Irvy Todd and Mrs. Arthur Roseman.

The installation party will be held March 11 at The Round Table near Collinsville.

Another first from Chevrolet!
Now you can see from inside if your outside lights are working

Chevrolet announces an exclusive, brand-new light monitoring system* that tells you if a bulb burns out.

Chevrolet has conjured up a little voodoo for you: a new monitoring system that uses space-age fiber optics to bend light around corners to tell you if your lights are lighted.

Order it on your Chevrolet or Chevelle and you'll always know for sure whether your important bulbs are burning: headlights, taillights, brake lights, turn signals, parking

lights, stop lights, even license plate light. You just glance in your rearview mirror. The monitor under the rear window tells you what's happening in back. Monitors on your front fenders check the front. Look at the illustration above. A light is out on the rear monitor. Look below, the right rear light is out. See how it works?

Only Chevrolet has it. It's the newest of many important differences between Chevrolet and other cars in its class. And, of course, it's one more reason why you get...

Hospitality Gave Freeport, Ill., Its Name

Freeport Originally Meant Hospitality and It Still Does

Freeport, Ill., got its name, according to legend, from the hospitable attitude of one of the early settlers. If true, the present Freeport residents still carry on this tradition.

The cabin of William Baker was an early trading post and stopping place for travelers. His wife is credited with first calling the area Free Port as a protest against her husband's free-to-all hospitality.

Freeport has many claims to fame, but most residents take special pride in living where Lincoln and Douglas took their stand.

Granite City PRESS-RECORD

on the issues of the pre-Civil War days. August 27, 1858, during the Lincoln-Douglas debate there, Lincoln asked the famous "Freeport Question" which most history students agree resulted in Lincoln's election as president in 1860.

Jane Addams Born Nearby

The same year Lincoln was elected President a baby girl, Jane Addams, was born six miles north of Freeport in Cedarville, Ill. She grew up to be one of America's most famous women.

as the founder of famous Chicago Hull House, the third settlement house in the world.

Many books have been written about the "Angel of Hull House," who received the Nobel Prize. When she died in 1935 she was laid to rest at the cemetery in Cedarville, not far from where she was born and raised. This home is now privately owned and not open to the public. It is easily seen from the road, however, about a quarter of a mile east of the Cedarville cemetery.

Cedarville is a quiet little town, population about 500, with many of the presently occupied homes built in 1850's and 1860's.

The small town of Lena is also close to Freeport and well known today for the cheese factory, open to tourists. Lena was a stage coach stop on the State Road from Chicago to Galena, with stages running along what is now Route 20.

Old Stone Stage Inns

Some of the old stone stage inns still stand as monuments to this tedious means of travel before the completion of the railroad in 1854. One of the best still standing, the Dodds Inn in Lena, was built five years before Lena was even thought of, in 1848.

The area was Indian country until 1832 when it was freed from the fear of Indians with the last Illinois battle of the Black Hawk War taking place at nearby Kellogg's Grove. Blackhawk Park, near Kings, Ill., was the place where Kellogg's battle was fought in two separate skirmishes—17 miles west of Freeport and four miles south.

Open to the public is a fine old mansion built in 1857 by

"BOHEMIA," the Freeport, Ill., stone house and home of the Stephenson county historical museum. The house was built in 1857 and is typical of those of the thriving pre-Civil War period. Its spacious grounds have been made into an arboretum. Also on the grounds is a farm museum featuring exhibits of early farm implements and tools.

Oscar Taylor and presented by his descendants for a museum in 1954. Spacious grounds of the Stephenson County Historical Museum have the largest collection of rare trees in North America.

The museum, open weekends, contains many exhibits. Very recent a large new farm museum building was added with one of the best collections of early Illinois farm implements and carriages in the state. The farm museum includes an early residential blacksmith shop, and typical

pioneer kitchen.

Visited by Teddy Roosevelt

President Theodore Roosevelt in 1903 dedicated a large boulder marking the site of the Freeport debate. The business district has grown so a parking lot now surrounds the marker. In Taylor Park, however, stands a beautiful statue of Lincoln—the Debater. There are other large parks in Freeport also noted for their recreational facilities and scenic splendors.

An interesting story is told about Freeport city hall, at State and Walnut Streets. A plaque was put up giving city officials credit for the building but omitting the architect's name. Later there were questions about the old list of literary personages engraved on the top row of stones: Dante, Shakespeare, Spencer, Homer, Uhland, Rebeles, Emerson, Milton, Addison and Newton. The initial of each name spells: D. S. Schureman. Who was he? The architect, of course!

Freeport, the county seat of Stephenson county, is located 100 miles from Chicago, 35 miles from the Mississippi River. Freeport could never be called a tourist's town, but local pride in its part in Illinois and American history is reflected by careful preservation of places and things of historical value.

The same friendliness and

open handed generosity which allegedly gave the town its name is still in evidence. If you plan to enjoy Illinois by visiting Freeport, write to the Stephenson County Historical Society in Freeport.

The association president also announced the appointment of Patrick J. Cronin of the East St. Louis park district as general chairman for the conference. He will be assisted by Harold E. Brown, Granite City park superintendent, Dr. Gordon Moore, president of the Alton park and recreation commission and Ken Miller of Southern Illinois University-Carbondale campus as vice-chairman.

Milton Worthen of Granite City, a past president of the Illinois Association of Park Districts, currently is serving as a member of the annual conference committee.

More than 800 persons are expected to attend this year's conference, which will be staged in the southern Illinois area for only the second time in its 40-year history. Last year, nearly 700 delegates participated in the event at Peoria.

Brown said today his specific duties will include arrangements for transportation and entertainment. He added that already plans are being initiated to provide a full and southern Illinois should mail their returns to the correct address will get your return into process sooner and should result in earlier issuance of your refund if you are entitled to one," the director said.

Proper Income Tax Mailing is Important

The proper place to mail 1967 Federal income tax returns is important to the taxpayer, it was stressed today by Jay G. Philpott, District IRS director.

Each week, thousands of persons call the Internal Revenue Service asking for the correct mailing address, and many taxpayers mail their returns to the wrong address.

Philpott said that taxpayers in central and southern Illinois should mail their returns to the District Director, Internal Revenue Service, Springfield, Ill., 62704.

"Mailing your return to the correct address will get your return into process sooner and should result in earlier issuance of your refund if you are entitled to one," the director said.

ALL NUMBER CALLING is coming

All Number Calling (ANC) simply means that telephone numbers consist of seven numerals instead of two letters and five numerals. About three-fourths of the nation's telephones now have this numbering system.

The change to ANC will affect all telephone numbers listed in the telephone directories for Belleville, East St. Louis, Edgemoor, Freeburg, Lebanon, New Athens, O'Fallon, Scott Air Force Base and the Tri Cities.

Changing to ANC will be a gradual process. Beginning this month, whenever anyone in the area covered by the above directories has a new phone installed, moves to a new address or changes his telephone number, we'll give him one of the all-numeral numbers.

The change to ANC isn't really much of a change. For example, if the old number was KLondike 5-2368, it will become 555-2368. Technically, it isn't a new number at all. It's the same old number expressed a different way. And you'll dial it exactly as you always have. Look at your dial—the 5 is the same as K and L. So, for most practical purposes, there's no change at all.

Most phone numbers will stay the same until the next telephone directory is distributed in October, 1967. At that time, all phones will be listed with the ANC numbers.

Why the change? The reason we're eliminating central office names is simple. On a nationwide basis, we're running out of suitable, easy-to-pronounce-and-understand names. All Number Calling gives us about 50 per cent more usable telephone numbers. We need these additional numbers to keep up with the demand for new service.

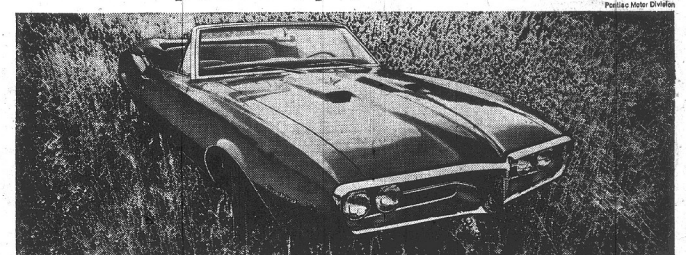

All-numeral numbers aren't at all difficult when you get used to them. For instance, we think of a number such as 555-2368 in three parts, like this: 555 (pause), 23 (pause), 68. It's much easier to say and to remember this way.

There are several things you'll like about All Number Calling, too. Confusion between letters and figures (such as I and 1, O and zero) and between central office names (such as Hubbard and HObart) will be eliminated. This means fewer pesky "wrong numbers"—something we can all do without.

Also, your dialing will be faster and easier with only numbers to look for on the dial.

While the changeover to All Number Calling will be gradual, we thought you'd like to know now that it's on the way. If you have any questions about the change, just call your telephone business office.

May Use State Aid to Encourage School Districts to Consolidate

By CLAUDIA BIRK

University of Illinois Student

In the future it probably won't be mandatory that certain local school districts combine. But a number of state legislators hope that if incentives are presented, some of the smaller districts will consolidate and that dual districts will become a thing of the past.

To ensure elementary and secondary students full educational opportunities and an education of comparable quality to that of students in other schools, a Task Force on Education has recommended consolidation.

The last time the number of school districts was reduced was in 1947 after a community unit law was passed that required a school district to have 86 million assessed valuation and at least 2000 population.

The number of districts was reduced from 11,651 in 1947 to 2783 in 1953. Currently, there are 1352 districts in the state.

Ernest Harshbarger, Champaign county superintendent of schools, will have held his office for 40 years as of this August. He has seen Champaign county consolidate from 200 to 19 districts.

Madison county has 15 public school systems.

"Why we didn't set the standards higher is an interesting question," remarked Dr. William P. McClure, chairman of the Task Force. "It was not as high as we could have accepted."

Present Law Law

He said that, with the minimum requirements now, "Any kind of district can be formed, and that's what has been going on in this state."

The attitude of many people, McClure explained, is, "We're for consolidation, but it should happen to people other than us."

Harshbarger said that when citizens at first heard there might be mandatory consolidation they protested because it "looked like the state was going to take some of their obligations as citizens away from them."

The plan which the Task Force proposes for adoption would allow citizens in affected areas to reorganize and would give a State Board of Education the authority to approve the proposed reorganization.

The state board would be required by law to establish a state division which would systematically survey the state and provide possible plans for reorganization.

Authority would be given to the state board to grant state aid to districts according to how complete a program of consolidation they had.

According to the plan proposed by the Task Force, a district ideally would need 25,000 to 30,000 students. The minimum would be about 10,000 (Madison and Venice schools fall below that minimum).

Task Force members believe that the qualifications for state aid if districts are to successfully meet criteria they want the

state board to use in granting state aid to districts.

Goals Described

1. Include students of all ages.
2. Offer a program which fulfills the educational needs of all students.
3. Provide adequate supporting services, such as guidance, transportation and food service.
4. Use its teachers to the maximum in their special fields.

5. Have a school enrollment of adequate size to allow grouping for greatest educational effectiveness and economy.
Extra Funds to Quail Schools

Class I districts, which would provide a complete program, would receive a quality foundation program for current operating expenses and capital outlay (for buildings and furnishings), plus special state and federal aid.

Class II districts would receive aid according to the present plan providing a minimum program.

The first amendment since 1947 to consolidate local districts, according to the present plan, would be to consolidate the two deputy superintendents to State Supt. Ray Page, proposes raising assessed valuation requirements for a district from \$5 to \$12 million and population from 2000 to 4000.

Right now 17 districts are not meeting the minimum requirement of \$5 million and about 380 districts would be affected if the requirement were raised to \$12 million, Cracked said.

Dual Bonding Power

Another way local districts might be consolidated would be to encourage dual districts to combine. Unit districts have both elementary and secondary schools, while there are both elementary and secondary districts in the dual arrangement, such as at Belleville.

Right now, the advantage in the dual districts is that they have more bonding power than unit districts.

Unit districts are allowed to issue bonds up to 5% of the assessed value of the district. Both the elementary and the secondary districts in the dual system have 5% bonding power.

The Revenue Amendment, which was defeated in the fall of 1966, proposed that bonding power be raised to 8% for the unit districts.

According to E. H. Mellon, Champaign county superintendent, Champaign County may issue bonds up to its limit, as do most unit districts; so, the dual districts do have an advantage.

The problem of financing capital facilities is especially acute because of the demand for large amounts of money for the initial costs, districts are forced to issue bonds and repay them with interest over a long period of time.

To increase the bonding power now would take either an amendment to the proposed constitution, or a constitutional amendment, when another amendment could be sent before the people.

People in the government may need to be found to pay for capital outlay.

CONCERNED RESIDENT

Official's should take steps to curb crime.

In regard to the Madisonian's letter Feb. 6 on "Crimes Against People," the government has a mandate to protect our life, liberty and property. But since world war II the people have failed to preserve their liberty.

The U. S. Supreme Court reapportionment order curbed state rights in favor of the federal organization in heavily populated areas.

Our forefathers warned that excessive power means freedom.

Every government has within it seeds of tyranny. Yet many people fail to realize that they should keep a watchful eye on it.

Disrupt of government was commenced when the government was born, and it was written into our Bill of Rights. It is the duty of the citizen to keep an eye on it.

Illinois ranks near the top in crimes because we fail to elect

cern and widespread concern so serious that many people are "losing their faith in our society."

The ultimate answer is within the hearts and minds of the people. As the report concluded, "The commission is sure that the nation can control crime," but it will require "new procedures, new tactics, new techniques," and, most of all, "a revolution in the way America thinks about crime."

Schmitt Honored for Effective, Tireless, Diverse Efforts to Improve This Community

Surprise recognition of Edwin G. Schmitt for his four decades of public service in the Quad-Cities and Madison county is not unusual. He has received deserved honors before, including the 1960 Civic Achievement Award.

But it is fitting that such efforts to make this community an outstanding place to live are not forgotten.

There are few rewards for selfless participation in civic betterment causes. Fortunately, one of them is the high regard in which such a worker and leader is held by his fellow citizens.

Probably one of the highlights of his community service from playing an effective role in such diverse fields as the City Plan Commission, Madison County Zoning Commission, Community Chest, All-American City Club, United Fund, Rotary, Chamber of Commerce, Industrial Development Committee, United Services Organization, Red Cross, Girl Scout Council, Coordinated Youth Services, YMCA, Civil Defense, Army Depot Recognition Committee, War Memorial Committee, Metropolitan Plan Association and its Highway Committee, and groups to improve post office, cemetery, drainage and hospital facilities.

Probably one of the highlights of his community service was the day when county zoning was adopted. He and other non-salaried commissioners had endured unprecedented and unjustified abuse at the hands of the residents unfamiliar with what was being proposed. At the culmination of two years of such activity, the commission was given standing applause by the County Board of Supervisors.

Edwin G. Schmitt who almost single-handedly obtained a master sewer engineering study here in 1943 and helped secure the original Nankin stormwater system as well as federally-financed waste water treatment plant, has been named.

In 1944, as chairman of the central control body of all war councils in the Quad-Cities, he led a successful fight against a serious river flood threat. In the 1960s he was just as active, helping obtain a \$120,000 federal grant for a major drainage and river pollution abatement study.

As a member of the depression-era Citizens' Fiscal Advisory Committee, he helped restore solvency to the city of Granite City, enabling municipal employees to be paid. Through the years, as a utility executive, he was able to provide adequate electricity and gas for a fast-growing area.

His efforts have been recognized by many accomplishments seen likely to be added to the list. Equally sure, each endeavor will reflect continued dedication to Quad-City progress and continued conviction that our democratic system can work—if each of us does a share of the job.

An indoor penny carnival and street fair, given by the class of '67 of Granite high school, was a success in every way. There were an overwhelming large attendance.

Crossing Delays Costly to Public, Justify Prosecution

Arrests and fines ranging up to \$100 are an appropriate response on Broadway crossing delays. The deterrent effect may be far greater than for motorist who violate time is needlessly wasted when trains use the crossing for excessive periods of time.

State law limits blocking of crossings to ten minutes, but numerous alleged violations occurred Feb. 17. Many other long waits came to mind. Railroads have no right to cause such frustration and inconvenience, and should be dealt with sternly by others in the judges.

If and when an underpass is built to separate the levels used by autos and trains, the problem will be solved. Until then, all concerned have an obligation to adhere to the law and to show the greatest possible consideration for others.

Oil Wells, Ocean Port Predicted in 1904 GC Booklet

A 1904 history of Granite City, so rare that it did not come to light during historical research throughout Alton county in 1982, has been obtained by Alton man Sam Whitmer on loan from Worden Mayor Elmer Moehle.

The 47-inch, 36-page booklet is illustrated with photographs of industries, homes, the Granite City Union Depot serving 10 railroads, the Merchants and East bridges, banks, tree-lined Niedringhaus "boulevard," the water works, schools, the Granite City Hospital, hotels and churches.

The center contains a panoramic view of the eight-year-old metropolis of 8000 persons, and the back contains a fold-out map showing streets and buildings extending from 16th to 23rd streets and from the railroad tracks south to S street, two blocks from Edwardsville road.

Industries included in the Granite City Steel Works, bounded by Washington Avenue, N street, 16th and 20th streets; National Enameling & Stamping Co.; American Steel Foundry Co.; Commonwealth Steel Co.; United Lead Works; and the Syrup & Preserving Co.

Circle Park

In almost the exact center of the city was the circle park, bounded by circular Park avenue. It later became the site of the main post office and is now again a park-triangular Civic Park at 20th street and Niedringhaus and Delmar avenues.

From "a few houses situated in the midst of a cornfield," Granite City had become the site of manufacturing and population center "growing faster than any other city in America," the booklet boasted. "Before" and "after" scenes proved the point.

"All indications point to an early accomplishment of the project to secure deep water from Chicago to the Gulf. With the completion of the Panama Canal now practically assured, this will give a tremendous impetus to business in the Mississippi Valley," it was noted.

Royal Granite Works

National Enameling at that time operated both its stamping and enameling works, makers of Royal Granite Steel Ware in the largest factory of its kind in the world (15 acres and 1500 men), and the steel works that had since become Granite City Steel Co. (18 acres and 2000 men in 1904, with a daily capacity of 400 tons of sheet and bar steel and tin plate).

American Steel employed 2000, Commonwealth 1500, Syrup Preserving Co. 1000 and Wagner Brewing Co. 250.

Optimism was unlimited. It was related that "borings recently made at Granite City encourage the hope that oil will be discovered in paying quantity." A photo showed a drill being sunk within the city limits, but little has been heard of it since.

Shot Tower Tallest Structure

With Orville Wright having piloted the first plane the previous December, Granite City obtained "From the 185-foot-tall shot tower of the United Lead Co. The Granite City Gas Light Co. plant was under construction, and Granite City was connected by both steam and electric freight lines" with "extensive coal mines furnishing excellent quantities of cheap coal for manufacturing and domestic uses."

Smoke could be seen leaving plant chimneys, further indicating that air pollution control was not yet a public issue.

Granite City contained 15 miles of graded streets, one mile of brick streets, two miles of granite sidewalks and 14,000 shade trees. The Lutheran Church Association was building a \$38,000 hospital and the city hall was under construction.

For recreation, the Granite City Club offered parlors, reading rooms and billiard rooms that were "a very important factor in the social life of the city."

Mrs. Lucy Talley, 72, Dies; Former Resident

Mrs. Lucy (Matthews) Talley, 72, of Rural Route One, Edwardsville, a former local resident, died at 2:30 p.m. Monday at Jewish Hospital, St. Louis. She had been ill ten years and a patient at the hospital for three years.

Mrs. Talley lived in the Edwardsville area 40 years. Prior to that time she resided in the local community more than ten years. She was born in Wayne county, Mo., and was a member of the First Methodist of God Church in Granite City.

Surviving are her husband, Oliver Talley; one son, Oliver Talley; one daughter, Mrs. Elvyn (Helen) Chandler of Wood River; one daughter, Mrs. Emma Johnson of Des Arc, Mo.; Mrs. Floyd (Eather) Wade of Collinsville and Mrs. Anna Taylor of Ames, Ia.; one brother, Columbus Matthews of Middlebrook, Mo.; four grandchildren and one great-grandchild.

Funeral services were held here today. Arrangements are given in today's obituary column.

AWARD NOMINEES for the Civil Service "employee of the year" title being congratulated by A. H. Sonntag (extreme left), chairman of the Federal Civil Service executive board. Left to right are—Mrs. Ruth Tedesco and Mrs. Pauline Weir, both of Granite City, and James Williams and Mrs. Mary Matthews, both employees of the Granite City Army Depot. Mrs. Tedesco is employed in St. Louis and Mrs. Weir at the local depot.

4 Federal Employee of Year Nominees Here

Miss Ruth Tedesco of 1416 Washington avenue, Mrs. Pauline Weir of 3278 Wabash avenue and two Army Depot employees from East St. Louis, Mrs. Mary Matthews and James E. Williams are among 39 federal employees nominated for the St. Louis area Federal agency "Employee of the Year" awards to be presented at a dinner dance Saturday, March 4, at the Chase-Park Plaza hotel in St. Louis.

A committee composed of members from the business, professional world will select one "Employee of the Year" in each of three categories of civil service: administrative, technical, managerial and professional-scientific.

Miss Tedesco, whose job title is administrative specialist, is employed at the Central Area, Military Traffic Management and Terminal Service in St. Louis. Her federal career began in 1951.

Since then she has received four outstanding performance ratings and one sustained superior performance award.

She is credited with making vital contributions to the Army's cost reduction and Zero Defects programs. One contribution reduced telephone operational costs of the agency where she is employed about \$1000 a month.

An active American Red Cross blood donor, she has contributed more than ten pints of blood. She participates in church work at the Nativity of Virgin Mary Eastern Orthodox Church, Madison.

25-Year Employee

Mrs. Mary Matthews, 555 North 30th street, East St. Louis, a supervisory military personnel clerk at the Army Depot, entered Federal service in 1944. She is credited with offering suggestions that resulted in more efficient operation of the Depot Adjutant General's office, directorate for administration.

Mrs. Matthews is a member of the St. Luke African Methodist Episcopal church and has served as a soloist in the church choir. She has also served as a Sunday school teacher and is presently a member of the church usher board.

Episcopal church and has served as a soloist in the church choir. She has also served as a Sunday school teacher and is presently a member of the church usher board.

James E. Williams, 2429 Kansas avenue, East St. Louis, is compliance officer at the Army Depot. He has received outstanding performance ratings and letters of recognition since entering the Federal service in 1952.

Williams has been the local advisor to the incentive bonus committee, is a grievance examiner, a member of the Depot labor negotiating committee and is a member of the U.S. Board of Civil Service Examiners.

GC Council Ok's 15-Minute Limit To Clear Taverns

"There must have been a lot of wives who sponsored this one," Alderman Thompson remarked Monday night as the Granite City council adopted an amendment to the liquor control ordinance, requiring taverns to be cleared of patrons within 15 minutes after the closing hour.

An amendment to the amendment was proposed by Alderman Bartosiak to set specific extra hours for New Year's Eve, but council members decided to let that authority remain with the mayor, who is city liquor commissioner.

"I just wanted to save myself and the mayor all those phone calls before New Year's that we get from tavern owners wanting to know if they can stay open later," Bartosiak said.

The amendment approved for the liquor control law continues the present closing hours of 1 to 8 a.m. on weekdays and 2 a.m. until noon on Sundays, but adds that all patrons must be out of taverns 15 minutes after the closing hour.

Alderman Fry added that the change has the support of the Tavern Owners Association officers.

The amendment as originally proposed had another stipulation for prohibiting the hiring of minors as carry-out boys for drive-in liquor stores. This was deleted, as the council members were unable to reach an agreement.

"The aldermen have asked Harold Hillmer, deputy liquor commissioner, to appear before the council to explain the need for a 21-year age minimum for carry-out employees. Proposals said that liquor may be needed even though the present control law forbids minors from being on tavern premises.

Opponents have stated teenagers need jobs, and that the drive-in proprietor must assume responsibility in the event liquor is sold to a minor.
